Facts About the Penny Tax for Casselberry Area Voters

1991-2001: In addition to the construction of 70 miles of roadways, revenue from the Penny Tax from 1991 to 2001 was also used for construction of the recently completed SunRail project within Seminole County. The Penny Tax cannot be used for SunRail operations.

2001-2011: Approximately $140 million in grant funds were awarded to Seminole County because of the sales tax. That's the equivalent of another two and a half years of the Penny Tax.

"Seminole County's schools are rated among the best in Florida. The 2001 Penny Tax contributed to the enhancement of the school infrastructure system. I know firsthand that these enhancements and the quality of our education system play a major role in business expansion and job creation in Seminole County."

- Commissioner Carlton Henley

"I encourage you to vote in this important Special Election on May 20th."

- Sheriff Don Eslinger
