

## FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for Seminole County's Yew Court restoration due to damages in Hurricane Irma (DR-4337-FL PW 08580). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 6, 2017, for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** Seminole County
- Project Title(s):** PA-04-FL-4337-PW-08580 PN 27317 – Road System Repairs (Yew Court)
- Location of Proposed Work:** GPS Coordinates: (28.653504, -81.408340)
- Floodplain:** Project is located in the AE Floodway per Seminole County FIRM Panel #12117C0210F dated 09/28/2007.
- Proposed Work and Purpose:** Seminole County replaced 45 cubic yards (CY) of shoulder fill dirt and one culvert 40 feet (FT) long and 24 inches (IN) in diameter between 500 and 501 Yew Court. The county has upgraded the site to current codes and standards by adding concrete and erosion control fabric to the site in order to make this site more resilient to future erosion events.
- Project Alternatives:** The alternative that has been considered is the no action alternative. This alternative is not feasible as the area will remain vulnerable to flood risk, including property damage and hazards to human life and safety. With the no action alternative, continued negative impacts on residents and the community may be experienced. Alternate locations were not considered as work at Yew Court is 100% complete, therefore relocation is not cost effective nor practicable.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3005 Chamblee-Tucker Road, Atlanta, Georgia 30341 or by emailing FEMA-R4EHP-FLORIDA@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4337-PW-08580, Seminole County at the above address within 15 days of the date of this notice.
