Facts About the Penny Tax for Altamonte Springs Area Voters

1991-2001: In addition to the construction of 70 miles of roadways, revenue from the Penny Tax from 1991 to 2001 was also used for construction of the recently completed SunRail project within Seminole County. The Penny Tax cannot be used for SunRail operations.

2001-2011: Approximately $140 million in grant funds were awarded to Seminole County because of the sales tax. That's the equivalent of another two and a half years of the Penny Tax.

"Quality of life is paramount to the people of Seminole County – The Penny, twice supported by the voters, will provide Seminole County, its cities and our school system the necessary funding to deliver services at the level citizens have come to expect.

- Commissioner Lee Constantine

"I encourage you to vote in this important Special Election on May 20th."

- Sheriff Don Eslinger
