

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for Seminole County's repair of Seminole Trail at Howell Creek due to damages in Hurricane Irma (DR-4283-FL PW 05853). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 06, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

- Responsible Entity:** FEMA Public Assistance (PA) Program
- Applicant:** Seminole County
- Project Title(s):** PA-04-FL-4283-PW-05853-32481 Parks
- Location of Proposed Work:** Howell Creek near SR 434 & Tuscora Drive (28.613656, -81.173651)
- Floodplain:** Project is located in the Zone A- Regulatory Floodway, per Seminole County FIRM Panels #121170190F dated 09/28/2007.
- Proposed Work and Purpose:** The applicant filled washout and repaired asphalt on Seminole Trail at Howell Creek to return it to pre-disaster condition.
- Project Alternatives:** The alternative that has been considered is the no action alternative. Repairing the facility will restore the channel of the regulatory floodway back to its pre-disaster course. With the no action alternative, continued negative impacts on adjacent property, residents, and the community may be experienced as the trail is used by the public and facilitates open space use. Alternate locations were not considered as the is functionally dependent upon its location within the floodplain.
- Comments:** This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3003 Chamblee-Tucker Road, Atlanta, Georgia 30341, or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4283-PW-05853, Seminole County at the above address within 15 days of the date of this notice.
