

SEMINOLE COUNTY SOLID WASTE 2024 Business Waste Collection Events

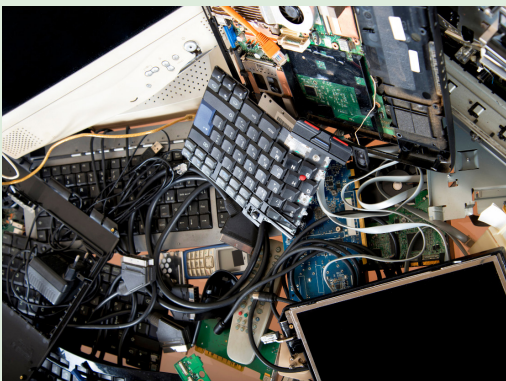

Hazardous Waste

Very Small Quantity Generator (VSQG) businesses* can dispose of hazardous waste by working directly with Clean Earth (a permitted hazardous waste disposal company under contract to Seminole County).

Call Clean Earth at 321-952-1516 to discuss pricing and payment method and to schedule an appointment.

Inform them that you are interested in participating in the Seminole County Small Business Collection event. You will be asked to provide a thorough inventory of your hazardous waste and the size of the storage containers. Payment is made directly to Clean Earth. Seminole County is not responsible for disposal costs.

Wednesday, April 10 • Wednesday, July 10 • Wednesday, October 9

Electronic Waste

Businesses can recycle e-scrap or electronic waste by working directly with Tech Smart International.

Call 813-635-6161 to discuss pricing and payment method and to schedule an appointment.

Inform them that you are interested in participating in Seminole County's E-scrap collection event. You will be asked to provide a thorough inventory. Payment is made directly to Stream Recycling. Seminole County is not responsible for recycling costs.

Thursday, April 11 • Thursday, July 11 • Thursday, October 10

For additional information, contact Jeremy Davis at 407-665-2250.

*Following EPA regulations, only Very Small Quantity Generators are allowed to transport hazardous waste. For more information, visit epa.gov.
