

For the month of **MAY**

**Adopt a Dog or Cat
5 years and older for \$5!**

**From May 1 through May 30,
adoption fees for all senior pets
will be five dollars!**

Seminole County Animal Services has several senior dogs and cats 5 years and older up looking for fur-ever homes. Don't be fooled, there is a lot of life left in these animals. Often older pets are overlooked for adoption. With a senior pet you know what you're getting: size, temperament, and looks - it's all there. Most senior pets already have good house manners.

**Adoption Hours: Monday through Saturday, 10 a.m. - 4 p.m.
Seminole County Animal Services, 232 Bush Blvd. Sanford, FL
- Across the street from Flea World -**

***Seminole County residents must purchase a \$5 County License for their new pet.**
