Seminole County Affordable Rental Housing Project Application for FY 2017-2018

Introduction:

The Seminole County Community Services Department is currently seeking to use a portion of its State Housing Initiatives Partnership (SHIP) Program funds received from the Florida Housing Finance Corporation (FHFC) and HOME Investment Partnerships (HOME) funds from the US Department of Housing and Urban Development (HUD) to provide assistance to organizations that construct or rehabilitate affordable rental housing in Seminole County. The County has a total of \$300,000 in SHIP funding and \$150,000 in HOME funding available for rental construction and rehabilitation projects that are ready to proceed immediately. In addition to supporting the construction or rehabilitation of units from a variety of other funding sources, Seminole County funds may be also used as local contribution for developments applying for affordable housing tax credits in the 2017 State of Florida Universal Cycle.

Note: If requesting funds for local contribution for tax credit developments, the maximum that can be requested is limited to **\$50,000** per development.

Non- tax credit rental development requests are not capped at \$50,000.

Applicants are invited to submit proposals for eligible projects and will subsequently be scored and ranked for local government contribution commitment.

Submission Requirements:

In order for an application to be considered responsive, it must include the completed 2017 Rental Housing Application Checklist, Title Page, Table of Contents, Project Summary, and Parts 1-XIV outlined in the Instructions to Applicants, including all required Attachments and Applicant Certification. Each applicant must submit one original application along with 4 paper copies and one scanned .pdf copy (scanned into one file). Applications must be submitted in a three ring binder with tabs to separate Parts I through XIV.

Applications must be submitted to the Community Services Department by 4:00 p.m. Friday, November 3, 2017. Applications must be date stamped by the official time clock located in our lobby or recorded as delivered by Fed Ex, UPS or similar courier agency.

Optional Applicant Information Workshop:

Seminole County Community Services will hold an optional information workshop for applicants. The purpose of the workshop is to outline the County's expectations, provide an overview of the funding sources used and field questions. The workshop will be held **Tuesday October 17, 2017, 9:00 am**, at the Seminole County Community Services Large Conference Room. Seminole County Community Services is located at 534 W. Lake Mary Blvd. Sanford Florida, 32773.

Affordable Rental Housing Program Requirements: SHIP and HOME program funds can be used for the new construction or for acquisition and rehabilitation, if necessary, of existing rental properties; or for the acquisition and conversion of commercial or other property to rental residential property. This includes real property acquisition, site improvement, construction, on-site infrastructure, conversion, demolition, and other expenses approved by the County. The developed rental housing must be permanent or transitional housing (with leases of no less than one year).

The proposed projects shall provide long-term affordable rental housing to eligible low or very-low income households, as defined and updated annually by the U.S. Department of Housing and Urban Development (HUD). By submitting the attached application, the Applicant acknowledges their understanding of and agrees to adhere to all applicable State, and local requirements associated with these funds.

Subsidy and Rent Limits

There is a maximum per-unit subsidy of \$70,000. Projects assisted must also comply with rent limits, as provided below for example:

CURRENT HUD RENT LIMITS (effective 04/2017)

	Efficiency	1 BR	2 BR	3 BR	4 BR	5 BR	6 BR
Low Rent	\$512	\$548	\$658	\$760	\$848	\$936	\$1,023
High Rent	\$705	\$757	\$911	\$1,043	\$1,144	\$1,243	\$1,343

Affordability Period

The affordability period is determined by the level of subsidy and project type (i.e. new construction or rehabilitation)

<u>Investment / Per Unit</u>	<u>Length of Affordability Period</u>
Assistance of \$3,001 and higher per unit	15 Years
New Construction of Rental Housing	20 Years

Regulations

Other federal regulations that may be applicable to the project are based upon the source of funding include, but are not limited to, minority and women’s business enterprises, Section 3, ADA, labor, lead-based paint, and relocation regulations. The regulations specific to a project will be outlined in the funding agreement upon award. A brief overview of each regulation is provided below.

- **MINORITY AND WOMEN'S BUSINESS ENTERPRISES.** The requirements of Executive Orders 11625, 12432, 12138 and 24 CFR 85.36(e) apply to grants under this part. Consistent with HUD's responsibilities under these Orders, the Applicant must make efforts to encourage the use of minority and women's business enterprises in connection with funded activities.
- **SECTION 3.** The purpose of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) is to ensure that employment and other economic opportunities generated by HUD financial assistance (greater than \$100,000) shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low income persons.
- **ADA COMPLIANCE.** The Applicant shall comply with the applicable provisions of the Americans with Disabilities Act (42 U.S.C. 12101-12213) and assist the County with complying with the implementing regulations at 28 CFR part 35. All new construction housing developments receiving HOME subsidies with 5 or more units must design and construct 5 percent of the dwelling units, or at least one unit, whichever is greater, to be accessible for persons with mobility disabilities. These units must be constructed in accordance with the Uniform Federal Accessibility Standards (UFAS) or a standard

that is equivalent or stricter. An additional 2% of the dwelling units, or at least one unit, whichever is greater, must be accessible for persons with hearing or visual disabilities.

For more information on the accessibility requirements for Federally assisted new construction and substantial alterations of existing federally assisted housing, refer to Section 504: Disability Rights in HUD Programs.

- **LABOR.** The Applicant agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Applicant agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and the implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. The Applicant shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the County for review upon request. The Applicant agrees that, except with respect to the rehabilitation or construction of residential property containing less than 12 units, all contractors engaged under contracts in excess of \$2,000 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract shall comply with Federal requirements adopted by the County pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers, provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Applicant of its obligation, if any, to require payment of the higher wage. The Applicant shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.
- **LEAD-BASED PAINT.** The Applicant agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all HOME-assisted housing and require that all owners, prospective owners, and tenants of structures constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.
- **UNIFORM RELOCATION ACT.** The Uniform Act, passed by Congress in 1970, is a federal law that establishes minimum standards for federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The Uniform Act's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects. The Applicant agrees to adhere to 49 CFR Part 24, the government-wide regulation that implements the URA, and HUD Handbook 1378,

which provides HUD policy and guidance on implementing the URA and 49 CFR Part 24 for HUD funded programs and projects.

Evaluation of Proposals:

An Application Evaluation Committee will review and evaluate all applications submitted in response to this Notice of Funding Availability (NOFA). The Committee will conduct a preliminary evaluation of all applications to ensure they are complete and meet the minimum qualifications and mandatory requirements of the NOFA. Failure to comply with any mandatory requirements may disqualify an applicant.

Upon successful completion of the preliminary evaluation, the Application Evaluation Committee will review and rank each proposal based upon the evaluation criteria as set forth below:

1. **Location of project – Low Income Area (10 points).** Applicant(s) will receive a score of 5 points if the project is located within a documented 39.6% low income area and 0 points will be awarded if it is not. The most recent census tract data would need to be utilized for documentation.
2. **Demographic Commitment (5 points).** Applicant(s) will receive 5 points for projects that exclusively serve senior citizens, severely disabled (as defined by the Bureau of Census Current Population Reports), or victims of domestic violence.
3. **Construction Features and Amenities (10 points).** Applicant(s) will receive scores ranging from 0 to 10 points based upon construction features and amenities. Special areas of focus include hurricane resistance (0 to 3 points) and accessible units for persons with disabilities (0 to 3 points).
4. **Resident Programs (10 points).** Applicant(s) will receive scores ranging from 0 to 10 points based upon the number of resident programs that will be made available to tenants.
5. **Development Team Capacity and Relevant Experience (20 points).** Applicant(s) will receive scores ranging from 0 to 20 points based upon the relative experience of the Development Team (including the applicant, developer, attorney, general contractor, architect/engineer, management agent, and accountant) with similar projects.
6. **Past Performance (5 points).** Applicant(s) will receive scores ranging from 0 to 10 points for the quality of past performance with regards to multi-family housing development funded with local, state or Federal affordable housing funds. Developers with multiple development projects and a record of good performance will maximize this rating category.
7. **Ability to Proceed (10 points).** Applicants(s) will receive scores ranging from 0 to 10 points based upon their demonstration of readiness to proceed. Factors that will be considered include site control, land use designation, zoning, environmental assessment, staffing, and the commitment of other funding sources.
8. **Non-Profit Partnerships (5 points).** Projects without nonprofit partnerships shall receive 0 points for this rating factor. Projects with nonprofit partnerships shall receive a score ranging from 1 to 5 points, depending upon the how significant and meaningful the nonprofit partnership is. The most significant partnership would occur with equity ownership. Examples of limited partnerships include, but are not limited to, nonprofits providing property management, social services, and marketing.

9. **Leveraging of Funds (5 points).** Applicants(s) will be awarded points based upon the funds requested (plus any other County funds already committed) divided by total project cost. Points will be awarded for the proposed percentage of County funds in the project as follows:
- a. 5 points = 50% or more of the project is leveraged
 - b. 4 points = 40-49% or more of the project is leveraged
 - c. 3 points = 30-39% or more of the project is leveraged
 - d. 2 points = 20-29% or more of the project is leveraged
 - e. 1 points = 10-19% or more of the project is leveraged
 - f. 0 points = Less than 10% of the project is leveraged
10. **Project Financial Viability (20 points).** Applicant(s) will receive scores ranging from 0 to 20 based upon evidence of long-term project viability.

The County will make tentative commitments based upon the criteria outlined above. Final funding commitment will occur once an independent third-party underwriter performs an analysis of the approved proposals and provides verification to the County that the proposals are acceptable.

Loan Terms

Permanent loans shall not exceed 40 years and are non-recourse debt secured by a mortgage, note, and Restrictive Covenant, if applicable. In general, construction loans shall not exceed 24 months. Tax credit bridge loans are amortized in accordance with the scheduled capital contributions of investor equity.

If the loan is deferred payment, it will generally be non-amortizing. However, based on the financing requirements of a particular project, the County may charge and accrue interest on deferred payment loans. Deferred payment loans are due and payable in full at the expiration of the mortgage - typically 30 years. Repayment on deferred payment loans is made from available surplus cash, if any. In general, repayment will be required on an annual basis as a project is reviewed for regulatory compliance and it is determined through the project financial statements or audits that the project has produced surplus cash. This repayment will be based on a percentage of the annual surplus cash (typically 25-50%) and will reduce the loan by the amount of accumulated payments resulting from surplus cash. Repayments will be applied first to accrued interest, if any.

Underwriting Standards

The forecasted initial year Debt Service Ratio (DSR) shall be no less than 1.15. In the case of a project supported by a long-term rent subsidy contract or other extenuating circumstance, the initial year DSR will be adjusted accordingly. A higher DSR may be used in cases of small or special use projects where there is higher than normal risk. In general, the following minimum DCR range will apply for such projects:

<u>Project Size (# of units)</u>	<u>Minimum DSR</u>
1-5	1.50
6-10	1.40
11-15	1.30
16-20	1.20
> than 20	1.15

As part of the underwriting process, the Community Services Department will utilize this DSR

table to ensure that a project receives no more capital subsidy than is necessary to make the project financially feasible.

The maximum loan to value ratio shall be 90%, except for projects owned or sponsored by a non-profit or limited equity cooperative for which the maximum LTV shall be 95%. Non-amortizing or deferred payment loans may be excluded from the LTV calculation.

Redistribution of Funds

If the County has committed funds to a project that can no longer proceed (i.e., did not receive a funding allocation from the Florida Housing Finance Corporation), the County reserves the right to redistribute funds in the following manner:

- (1) First, to the next highest ranked Applicant that has received an award from the Florida Housing Finance Corporation as a nine percent (9%) new construction or rehabilitation Housing Credit Program Development.
- (2) Then, when no other 9% Housing Credit Program Developments are remaining, to the next highest ranked Applicant that has received an award from Florida Housing Finance Corporation's Multifamily Mortgage Revenue Bond, State Apartment Incentive Loan (SAIL), or Orange County Housing Finance Authority Program.

At the County's discretion, if a project is funded by the 9% Housing Credit, the Florida Housing Finance Corporation's Multifamily Mortgage Revenue Bond, State Apartment Incentive Loan (SAIL), or Orange County Housing Finance Authority Program, the funding commitment may be increased based on funding availability and project financing needs.

DISCLAIMER

The County reserves the right to: 1) accept or reject any or all proposals received; 2) waive any non-substantive deficiency or irregularity; 3) negotiate with any qualified Applicant; 4) award a contract in what it believes to be the best interest of the County; 5) cancel this request, in part or its entirety, if it is deemed to be in the best interest of the County; 6) reject the Proposal of any Applicant who has previously failed to perform properly; 7) reject the Proposal of any Applicant who has failed to complete a contract within the specified timeframe; 8) reject the Proposal of any Applicant that is not in a position to fulfill a resulting contractual obligation. This NOFA does not commit the County to award any contract, pay any pre-award expenses, or pay any costs incurred in the preparation of a Proposal.

APPEAL PROCESS

In the event an Applicant (1) did not submit a complete proposal and will not be considered for funding, (2) is ineligible to receive funding for their proposal, or (3) was not recommended for funding by the Review Committee, the Community Services Department will notify the Applicant in writing. This notice will be sent via certified mail with the return receipt requested.

If the Applicant wishes to appeal, it must do so no later than five working days from the date the letter was sent by sending a letter to the Director of the Community Services Department that includes all pertinent documents and information necessary to support the Applicant's position.

If the Community Services Department receives an appeal within the five (5) working day period, the appropriate staff will review the appeal and provide a recommendation to the Community Services Director. If the Community Services Director concurs with the Applicant, the Applicant will be notified, and the process will be concluded. If the Director of the Community Services Department does not concur with the Applicant, the Applicant will be notified in writing of the decision and that it may make an appeal to the Board of County Commissioners on the date and

time specified for NOFA applicant selection. This notice will be sent via certified mail with the return receipt requested.

If an Applicant fails to object or respond at any point in the process, that Applicant waives its rights to appeal. Objections or responses received after the five (5) day time period will not be considered. The Director of the Community Services Department has the authority to determine whether or not a recommendation will be deferred pending the outcome of a protest.
