The special populations to be served include: homeless, domestic violence/human trafficking, elderly, children who have been victims of crime, or persons with disabilities. It is intended that the facility in operation would provide necessary bridge housing to individuals and/or families experiencing homelessness in Seminole County.

This application is currently seeking applications from qualified non-profit organizations interested in providing property management for the leasing, oversight, and maintenance of this multifamily property. The successful applicant will enter into a long term master lease agreement with the County for operations of the property in order to provide affordable housing to income eligible persons/households in Seminole County. The master lease will be a legal and binding contract between the County and the selected organization. The non-profit organization becomes responsible for all property management duties including entering into housing agreements, and collection of fees not to exceed CDBG/SHIP rent maximums and completing intake eligibility requirements. The non-profit organization is responsible for the continued occupancy and care of the property in accordance with income eligibility and affordability requirements as established and updated annually by HUD.

The applicant will be applying for property management and the implementation of construction activities necessary to bring the property into HUD's habitability, and local code compliance for occupancy with the appropriate end use for the facility. These code requirements include fire safety and suppression systems and food preparation areas. A walk through and informational workshop to view the property is scheduled for **Thursday, January 24, 2019 at 9:30 a.m.** for interested non-profits.

Applicants that have previously submitted a letter of intent are invited to submit proposals for consideration to be scored and ranked for staff recommendation of award to our Board of County Commissioners, however the previously advertised letter of intent is not a pre-requisite for consideration of this application.

The regulations specific to a project will be outlined in the funding agreement upon award. A brief overview of each regulation is provided below.

Consistent with HUD's responsibilities under these Orders, the Applicant must make efforts to encourage the use of minority and women's business enterprises in connection with funded activities.
- **SECTION 3.** The purpose of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) is to ensure that employment and other economic opportunities generated by HUD financial assistance (greater than \$100,000) shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low income persons.
- **ADA COMPLIANCE.** The Applicant shall comply with the applicable provisions of the Americans with Disabilities Act (42 U.S.C. 12101-12213) and assist the County with complying with the implementing regulations at 28 CFR part 35. These units must be constructed in accordance with the Uniform Federal Accessibility Standards (UFAS) or a standard that is equivalent or stricter. An additional 2% of the dwelling units, or at least one unit, whichever is greater, must be accessible for persons with hearing or visual disabilities.

For more information on the accessibility requirements for federally assisted new construction and substantial alterations of existing federally assisted housing, refer to Section 504: Disability Rights in HUD Programs.

- **LEAD-BASED PAINT.** The Applicant agrees that any construction or rehabilitation of the subject property shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all HUD assisted housing and require that all owners, prospective owners, and tenants of structures constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.
- **FAIR HOUSING ACT.** The Applicant agrees that tenant selection and operation of the affordable housing units will be conducted in compliance with all applicable fair housing laws.

EVALUATION OF PROPOSALS:

An Application Evaluation Committee will review and evaluate all applications submitted in response to this Notice of Funding Availability (NOFA). The Committee will conduct a preliminary evaluation of all applications to ensure they are complete and meet the minimum qualifications and mandatory requirements of the NOFA. Failure to comply with any mandatory requirements may disqualify an applicant.

Upon successful completion of the preliminary evaluation, the Application Evaluation Committee will review and rank each proposal based upon the evaluation criteria as set forth below:

1. **Demographic Commitment (20 points).** Applicant(s) will receive 20 points for projects that commit to exclusively serve homeless populations that are experiencing homelessness as defined under the McKinney Vento Homeless Assistance Act and are referred by Seminole County.
2. **Resident Programs and Services (10 points).** Applicant(s) will receive scores ranging from 0 to 10 points based upon the number of resident programs and linkage to support services that will be made available to tenants. Recommended services include life skills, literacy training, self-sufficiency programs, transportation, etc.
3. **Team Capacity and Relevant Experience (20 points).** Applicant(s) will receive scores ranging from 0 to 20 points based upon the relative experience of the applicant (including property management experience, previous work with low income households with barriers to housing stability) with similar projects.
4. **Development Capacity (10 points).** The applicant will receive scores ranging from 0 to 10 points for past experience in developing and implementing grant funded construction activities related to housing repair/rehabilitation, including design planning, procurement of contractor(s), permitting, and oversight. 5. **Past Performance (10 points).** Applicant(s) will receive scores ranging from 0 to 10 points for the quality of past performance with regards to multi-family housing with local, state or Federal

affordable housing funds. Applicants with high occupancy rates and outcomes that demonstrate housing stability will maximize this rating.

A total project budget must be provided along with all accompanying costs for development.
7. **Adherence to a low barrier, Housing First approach (20 points).** Applicant must commit to not rejecting residents for criminal background, credit issues or history of evictions. All applicable laws to evictions and due process of termination of tenancy must be followed if written tenant agreements are proposed. Evictions are to be avoided when working with hard-to-house populations, grantees must exercise judgment and examine all extenuating circumstances in determining when such agreement violations are serious enough to warrant eviction. A participant's residency is terminated only in the most severe cases. Points will be awarded based on demonstration of commitment to housing stability and low barrier screening requirements described.

The Application Evaluation Committee will make recommendations based upon the final scores to the Board of County Commissioners to award a single applicant. Subsequent to that award, Seminole County will enter into an agreement for property management of the Sanford Avenue Multifamily property and a master lease will be executed.

The Certificate of Insurance shall provide that LANDLORD shall be given, by policy endorsement, not less than thirty (30) days written notice prior to the cancellation, restriction of coverage, or non-renewal, or by a method acceptable to LANDLORD. Except as otherwise specified in this Lease Agreement, the insurance shall become effective upon execution of this Lease Agreement by TENANT and shall be maintained in force until the expiration of this Lease Agreement's term. Failure by TENANT to maintain insurance coverage within the stated period and in compliance with insurance requirements of LANDLORD shall constitute a material breach of this Lease Agreement, for which this Lease Agreement may be immediately terminated by LANDLORD. The amounts and types of insurance shall conform to the following minimum requirements:

(1) Workers' Compensation/Employer's Liability.

(A) TENANT's insurance shall cover TENANT for liability which would be covered by the latest edition of the standard Workers' Compensation policy as filed for use in Florida by the National Council on Compensation Insurance without restrictive endorsements. Coverage shall include owned, non-owned and hired autos or any autos.

(B) The minimum limits to be maintained by TENANT (inclusive of any amounts provided by an Umbrella or Excess policy) must be per-accident combined single limit for bodily injury liability and property damage liability. If the coverage is subject to an aggregate, TENANT shall maintain separate aggregate limits of coverage applicable to claims arising out of or in connection with the work under this Agreement. The Workers' Compensation policy, the Commercial General Liability and the Umbrella policy required by this Agreement must be provided on an occurrence rather than a claims-made basis. The Professional Liability insurance policy may be on an occurrence basis or claims-made basis. If a claims-made basis, the coverage must respond to all claims reported within three (3) years following the period for which coverage is required and which would have been covered had the coverage been on an occurrence basis.
