PROJECT SELECTION IMPERATIVES

The Application Review Team will use the following criteria, and a proper response to the NOFA and the Anticipated Objectives of the 2015-2019 Consolidated Plan, in the project recommendation process:

- All proposals must submit all required documents listed in the application package. Proposals that are not complete will be considered unresponsive and will not be forwarded to the Application Review Team for scoring.
- Program Recipients must be a 501(c)(3).
- The project must serve at risk populations.
- Reasonableness of cost will be considered in evaluating proposals.
- All applications will be reviewed and ranked based upon the anticipated Priorities and Objectives in the County's 2015-2019 Consolidated Plan.
- Awarded applicants will be reimbursed for services provided in their agreement. In some cases the County can pay the awarded applicant's vendor directly for services provided in their agreement. In no cases will funds be advanced to the awarded applicants.

CDBG Requirements:

- All CDBG projects for public services must meet one of the following National Objectives:
 1. Benefit low and moderate income persons or households.
 2. Meet a recent community need having a particular urgency because existing conditions pose a serious and immediate threat to health or welfare. For example, a major catastrophe such as a flood or tornado might meet the national objective. This national objective is rarely used.
- If requesting CDBG funding, Program Recipients must provide public services for households or individuals that are at or below 80% of area median income guidelines with the funding.
 1. Awarded agencies will be required to complete one of the following to document that recipients are at or below 80% of area median income guidelines:
 - Provide a Low Moderate Area Benefit (LMA) for activities that benefit **all** residents in a residential neighborhood area in which at least 51 percent of the residents are Low Moderate Income

persons (80% of area median income). This should be documented by census tract block group data or an approved survey can be completed by the agency if the application is approved.

- Provide a benefit to Low Moderate Limited Clientele (LMC) to a minimum of 51 percent of the beneficiaries of an activity.
 - Document that the clientele is generally presumed to be principally Low Moderate Income (LMI). This covers abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, persons living with AIDS and migrant farm workers.
 - Complete an income certification on household size, assets, and income by utilizing 24 CFR Section 5.609.
- CDBG recipients are expected to provide matching or leveraging funds in the cost of any project.
- Projects that require CDBG funds for salaries or other administrative expenses will be given a very low priority for funding recommendation.
- CDBG recipients will be paid and/or reimbursed on a per unit basis, meaning that funds will be released in proportion to the amount of units or activities provided.
