SECTION 20. FEE RESOLUTIONS

20.26 HEALTH DEPARTMENT

A. PURPOSE. To establish public health service fees in order to expand existing public health services to the community at large.

B. PRIMARY CARE SERVICES.

(1) All Primary Care services will be charged on a fee-for-service rate based on local-cost-comparison of similar services and will not be less than current Medicaid rate nor more than Medicare rate if the service is covered by either payer. The fee will be derived by considering the type of visit, the client sliding fee scale, if applicable, based on Federal OMB guidelines and the current State Medicaid Rate. Proof of active Medicaid coverage will be accepted as full payment in lieu of charges for any service that is covered under the Medicaid program.

(2) School Physicals - A one-time service, $30.00 per physical (Completion of School Health Entry Form). Replacement Forms - $10.00 each.

(3) Dental Clinic - Adults from the ages of twenty-one (21) years to sixty-two (62) years with eligible Medicaid can be serviced at the Florida Department of Health in Seminole County for limited services. Residents of Seminole County who do not meet the requirement of being “active Medicaid”, from the ages of eighteen (18) to sixty-two (62) or pregnant (using Medicaid Services), can be screened through Community Assistance for basic dental services at this clinic. Additionally, children and adults who do not have valid Medicaid will be charged one hundred forty percent (140%) of the Medicaid Child Fee for certain dental services.
