The Natural Choice for
Your Class!

The Ed Yarborough Nature Center is approved by the Seminole County School Board as a field trip destination.

**We offer two Environmental Education programs:
Field Trip Program and
In-School Program for
Elementary, Middle and High
School Students**

In-School Program:

- We come to your school and present a program in your classroom or multi-purpose room
- Topics include ecosystems, wildlife adaptation with the use of animal skulls, the benefits of controlled burns and monitoring
- We will even bring snakes and a turtle from our Nature Center for the live animal demonstration

Field Trip Program: At the Ed Yarborough Nature Center

- The program of your choice led by our Environmental Education staff
- Discovery time in the Ed Yarborough Nature Center
- A guided nature hike at the Geneva Wilderness Area
- A nature activity based on your current school curriculum. Activities can include many areas of study including Science, Math, Writing, Music or Art
- Lunch on the front porch of the Ed Yarborough Nature Center
