BACKYARD CHICKEN PILOT PROGRAM

PURPOSE  The intent of this program is to implement a two (2) year temporary Backyard Chicken Pilot Program to permit the keeping of a maximum of four (4) chickens (hens) by no more than one-hundred (100) applicants on an occupied single family residential lot located within the RC-1, R-1, R-1A, R-1AA, R-1AAA and R-1AAAA zoning districts.

PROCESS  Upon receipt of the completed application, required attachments as detailed below and non-refundable application fee, the County shall review all materials to make compliance determinations under the Ordinance. Following issuance of the temporary use permit and any applicable building permits, County Staff will perform an inspection to ensure compliance. Upon receipt of the Backyard Chicken Pilot Program permit, all applicable building permits shall be obtained PRIOR to the construction of any structures to house chickens. If the coop structure exceeds 100 square feet (10’ x 10’), a permit is required under the Florida Building Code.

REQUIREMENTS  The following items must be submitted:

- Completed application
- A scaled drawing, survey or plot plan of the lot on which the chicken coop/pen are proposed with*:  
  - site dimensions;
  - locations and dimensions of all existing and proposed structures to scale;
  - required setbacks;
  - all construction materials to be used;
  - tie-down methods to be used for the coop/pen (mobile units are prohibited unless properly anchored to the satisfaction of the Building Official);
  - information demonstrating that the coop is covered, ventilated and that it is impermeable to rodents, predators, and weather;
  - details regarding space per chicken in coop and run (not to be less than 4 sq. ft. and 5 sq. ft. per chicken respectively); and
  - details regarding distance/setbacks of coop from all residential structures on adjoining lots.
- Proof of successful completion of a class at a University of Florida Agricultural Extension Service on the care and raising of chickens.
- Completed Owner Authorization Affidavit, if applicable.
- Application fee of $75.00.

DELIVERY METHODS  Completed application, fee and all of the required attachments may be sent via:

- E-mail: plandesk@seminolecountyfl.gov
- Hand delivery: Seminole County Planning & Development Division, West Wing, Second Floor, Room 2028, 1101 East First Street, Sanford, Florida 32771
- Mail: Seminole County Planning & Development Division, 1101 East First Street, Sanford, Florida 32771

*Applicants are responsible for ensuring compliance with setback requirements. The County is not liable, if upon inspection, a coop, run, or pen is required to be moved to meet setback requirements.

By applying for this permit, the applicant and owner agree to the terms and conditions of the Ordinance establishing the Backyard Chicken Pilot Program (Ordinance #2016-22) including, but not limited to:

- Granting the County and its officials, officers, employees and agents a right-of-entry upon the subject property, including the rear yard, located at the property address listed above for inspection purposes to ensure compliance with the Ordinance after the issuance of this temporary permit.
- Holding the County and its officials, officers, employees and agents harmless concerning matters relating to or concerning the temporary permit and Ordinance #2016-22.
- Keeping up to a maximum of four (4) chickens. “Chicken” refers to female chickens (hens) ONLY.
- Chickens must be kept within a coop or enclosure at all times, unless being supervised by their owner in the rear yard.
- Selling chickens, eggs, feathers, or chicken manure, or the breeding of chickens for commercial purposes is prohibited.
- The coop and enclosure must be screened from the neighbor’s view, using an opaque fence and/or landscape screen.
- All applicable building permits shall be obtained prior to constructing enclosures.
  - Any coop, run and enclosure must be located in the rear yard.
  - The enclosure must be a minimum of ten (10) feet from the rear and side property lines and twenty (20) feet from neighboring residential homes.
  - If the coop structure exceeds 100 square feet (10’ x 10’), a building permit is required under the Florida Building Code.
  - The coop must be completely secured from predators, including all openings, ventilation holes, doors, gates (fencing/roofing is required over the enclosure for additional protection).
  - The coop shall be a minimum of four (4) square feet per chicken but must not exceed 150 sq. ft. and may not be taller than eight (8) feet.
- The Applicant shall call for an inspection by the Planning and Zoning Division after the issuance of the permit and when the chickens, coop, run and screening are in place. Building permit inspections, if applicable, are performed separately by the Building Division.
- Regardless of the date of the issuance of the temporary permit, the permit shall terminate and expire two years from the effective date of the Ordinance unless terminated earlier or extended by action of the Board of County Commissioners.
- The applicant and owner have received a full and true copy of Ordinance #2016-22.
