5. **Click** *Play*.
 - a. A new tab will open in the internet browser and the video will immediately start playing*.
 - i. This is a streaming service and requires an active internet connection to play.

* Streaming videos work on computers and Windows 8 and 10 devices as long as you have Adobe Flash Player and you're using an up-to-date browser with [HTML5](#) support, like: [Chrome](#), [Edge](#), Firefox, [Internet Explorer 10 or newer](#), and [Safari](#). If you're using an Android or iOS device, you'll need the OverDrive app (v3.1 or newer) to watch most streaming videos. **Note:** *You may not be able to play all streaming videos (like those from Starz) on a Kindle Fire or Fire HD, even when you're using the OverDrive app.*

*Videos cannot be returned early.
