In Partnership with

Memorial Program

Memorial Tree

A tree is a recognized symbol of nature's strength, beauty and endurance.

Participate in the Memorial Program to honor a loved one, mark an anniversary or special occasion or recognize an event or significant achievement.

We have designated trees in our active parks and along the paved trails available through our Memorial Tree Program. Once you choose the Tree you would like to adopt, we order the memorial stone and place it at the base of your tree.

- You will select one of our designated memorial trees within one of our parks or on the paved trails.
- A personally engraved granite plaque will be installed at the base of the tree. (There is no guarantee as to how long the plaque will remain in place due to situations beyond our control.)
- Wording on the plaque must be approved by the County's Leisure Services Department.
- Cost is \$450
- Parks available: Sylvan Lake Park, Sanlando Park, Red Bug Lake Park, Seminole County Softball Complex
- No Commercial plaques will be accepted

Memorial Bench

Seminole County is a special place for many people. The beautiful parks, the sweeping views of the Wekiva River, the surprising moments of solitude that can be found while enjoying the scenic views. We know this in part is why we receive requests for visitors and friends of the park for the opportunity to place a memorial for loved ones. To help accommodate these requests, we offer a memorial bench program.

- Benches are made of durable materials and a design selected to blend into the surrounding setting. A personally engraved plaque will be placed on the bench.
- Bench types and locations will be approved by the Seminole County Leisure Services Department.
- Wording on the plaque must be approved by the County's Leisure Services Department.
- Cost is \$2,500 for memorial bench and plaque
- Parks and other locations available: Sylvan Lake Park, Sanlando Park, Red Bug Lake Park, Seminole County Softball Complex, Wilson's Landing and all passive parks, trailheads and Seminole County paved Trails
- No commercial plaques will be accepted.

PARC'S
FOUNDATION

The purpose of the PARC'S Foundation is to work to improve the quality of life in Seminole County by teaming with individuals and organizations to address the recreation and conservation needs of its citizens. For more information on how to donate, please visit our website at www.parcfoundation.org.
