Good Health. A Connection to Nature.

It Starts in Parks

# 24 parks to play in. 80 miles of trails to trek. 6,000 acres of wilderness to explore.

The diverse **Seminole Wekiva Trail** begins at the San Sebastian Trailhead in Altamonte Springs and continues approximately **14 miles**, ending at the Wekiva River. It was built over the former Orange Belt Railway, at one time the longest railroad in the country. Stop by for a variety of recreational activities at multiple park facilities or for lunch or coffee before entering the new tunnel crossing State Road 434. Continue through Jones Trailhead, beautifully canopied neighborhood areas, pastures and open space before visiting Heathrow for dining or shopping. Continue through Heathrow's high-tech corridor to Colonial Town Plaza for entertainment, dining, and nightlife!

Seminole Wekiva Trail

Consider visiting the **RiverWalk** in historic downtown Sanford overlooking Lake Monroe. In the Casselberry area? Visit the 2-mile **Kewannee Trail**.

Kewannee Trail

RiverWalk in Sanford

**Cross Seminole Trail** runs approximately **28 miles** through the Spring Hammock Preserve, and connects to the Seminole Wekiva Trail at International Parkway in Heathrow. Spring Hammock is a well-known landmark to both residents and visitors to Seminole County because of its oasis-like appearance in the midst of a rapidly growing urban area. In honor of our wounded veterans, Cross Seminole Trail is the first in the nation to be designated as a Purple Heart Trail!

Environmental Studies Center

Hop on the trail in quaint downtown Oviedo where you can visit vintage shops and local dining. Pass through downtown Winter Springs to the Environmental Studies Center – home to the famous mud walk – then travel to Soldiers Creek Park to catch a ball game.

Continue past Cypress trees up to 200 feet high on either side of the trail, to Big Tree Park in Longwood – home of the 3,500-year-old bald Cypress called “The Senator.” Continue through Lake Mary neighborhoods to convenient shopping, eateries and cycle rentals. Continue down Rinehart Road and take a left onto one of the largest suspension pedestrian bridges in the world.

The Senator at Big Tree Park

The rustic **Flagler Trail** runs approximately **14 miles** and is mostly unpaved.

Flagler Trail Pedestrian Bridge

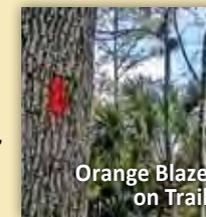

Begin your journey at the northern-most point at St. Johns River Trailhead and Lake Harney Wilderness Area. Continue on to Little Big Econ State Forest and bridge crossing Econlockhatchee River. Continue on to Snowhill Road Trailhead where you'll experience an untouched, completely shaded canopy of trees on your route.

Flagler Trail

Seminole County has two **Equine-Designated Areas**. The first is located at the Markham Trailhead on the northern-most point of the Seminole Wekiva Trail. The paved, wide-shouldered, equine-designated trail runs 3½ miles from the Wekiva River to International Parkway. Also, the entire Flagler Trail is designated for local unpaved horseback riding.

Seminole County's Seminole Wekiva Trail and Cross Seminole Trail make up part of the **Florida National Scenic Trail**. The trail runs through our County's parks, wilderness areas, and even dining and shopping establishments. Orange blazes on structures along the trail remind you that you are on the Florida National Scenic Trail.

Big Tree Park

Seminole County has several **Parks** along its trails that offer a variety of amenities and affordable programs. Pop in for a private tennis lesson, shoot some hoops or take the family for a picnic at the playground.

Looking for a more rustic adventure? Visit our designated trails located in our **Wilderness Areas**.
