

UNIFORM ADDRESSING SYSTEM
VARIANCE

Leo Loughran
Young & Edwards

ADV 06-100

Alternate Subdivision Name Request: Variance to Seminole County's Uniform Addressing System – Request for an Alternate Subdivision Name for the office complex approved as Young & Edwards Business Center.

- The request is to change the name of the complex from Young & Edwards Business Center to Ciara Creek Office Park.

FINDING OF FACT

The Seminole County E9-1-1 Variance Committee reviewed the applicant's request to vary from Seminole County Ordinance 2000-22, as defined in Sec 90

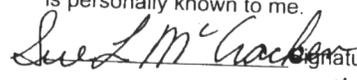

- Seminole County Ordinance 2000-22 states 'At time of plan review for all new construction the name by which the development shall be legally known shall be submitted for review and approval'. The Seminole County Development Review Committee approved the project as Young & Edwards Business Center.
- The proposed name Ciara Creek Office Park is unique and would not create a duplicate complex name.

Based on these findings, the Committee recommends approval of the request for variance. The name Ciara Creek Office Park shall be the only complex name posted on the property.

Submitted this 22nd day of December, 2006, in Seminole County, Florida

Maggie Ketcham, Addressing Coordinator
Seminole County E9-1-1 Variance Committee
