FATALITIES TO DATE:

CTST Fatality Discussion

1. Committee discussed fatality dated 9/13/08 near the intersection of Dodd Rd and Waterview Loop. Vehicle versus bicyclist. Driver failed to maintain vehicle and struck bicyclist traveling southbound in the northbound bike lane against traffic, vehicle was also northbound. There was discussion that we need more information than what was provided on the report
2. Committee discussed fatality dated 11/2/08 a single vehicle crash after midnight. The crash involved 2 adults and 2 children under the age of 5. The adult driver, passenger and 3 ½ year old little girl were not buckled in and both passengers on the right side of the vehicle were ejected and the little girl was killed.
3. Committee had brief discussion on reported fatalities that I had not received reports for
SR 434 @ Econ River Place vehicle versus pedestrian
SR 434 @ Rangeline Road vehicle versus pedestrian
