Summer Camp Registration Is Open!

Learn how people once worked, ate, travelled, and played in our four-day History Camp! Every day we will partake in special crafts, activities, games, and challenges to illustrate just how different things used to be. Participants will identify and handle authentic artifacts from many different periods, and use reproductions as they would have been used in their time. There will also be musket-firing demonstrations by experienced living historians, archaeology workshops, and take-home crafts!

Cost is \$100 per child, lunch is included. Scholarships available.
