

**SECTION 20. FEE RESOLUTIONS**

**20.26 HEALTH DEPARTMENT**

**A. PURPOSE.** To establish public health service fees in order to expand existing public health services to the community at large.

**B. PRIMARY CARE SERVICES.**

(1) Family Planning - The fee will be derived by considering the type of visit, the client sliding fee group based on Federal OMB Guidelines, and the State Medicaid rate. Medicaid identification will be accepted as full payment in lieu of charges.

(2) School Physicals - A one-time service, \$30.00 per physical. (Completion of School Health Entry Form)

(3) Dental Clinic - Adults from the ages of twenty-one (21) years to sixty-two (62) years with eligible Medicaid can be serviced at the Florida Department of Health in Seminole County for limited services. Residents of Seminole County who do not meet the requirement of being “active Medicaid”, from the ages of eighteen (18) to sixty-two (62) or pregnant (using Medicaid Services), can be screened through Community Assistance for basic dental services at this clinic. Additionally, children and adults who do not have valid Medicaid will be charged one hundred forty percent (140%) of the Medicaid Child Fee for certain dental services.
