FISCAL YEAR 2023/2024 PROPOSED BUDGET

PRESENTED TO THE SEMINOLE COUNTY BOARD OF COUNTY COMMISSIONERS

Amy Lockhart • Chairman • District 4

Andria Herr ◆ Vice Chairman ◆ District 5

Bob Dallari • District 1

Jay Zembower • District 2

Lee Constantine • District 3

SHERIFF'S OFFICE MISSION

To enhance the quality of life by reducing crime and the fear of crime throughout Seminole County

BUDGET TRANSMITTAL ADDENDUM FOR *REVISED* SUBMISSION

Dear Commissioners: May 9, 2023

I respectfully submit for your consideration a modified FY 2023/2024 budget request in addendum to my proposed budget submission on April 27, 2023. At the time of the submission the Florida Legislative Session was ongoing, and one of the primary bills being discussed was the Florida Retirement System (FRS), including benefit enhancements which were ultimately adopted in Senate Bill 7024 (SB 7024). Given the magnitude of the proposed benefit enhancements being presented and discussed by the House at the time of my budget submission, my proposed budget was based on the 8% increase in employer contribution rates that were actuarially determined and included in an earlier version of SB 7024. As presented in that version of SB 7024, the rates included the actuarial adjustment to employer contributions required to fund the FRS absent any benefit enhancements. This approach provided a substantiated basis for my initial budget request, as it represented the minimum increase that could be anticipated to take effect July 1, 2023.

SB 7024 as subsequently modified and adopted provides for several benefit enhancements and establishes revised actuarially determined contribution rates to be paid by employers. The new rates reflect an increase of 14% for regular class and 17.4% for special risk class vs. the 8% included in my original budget submission. The revised rates will require an additional \$1.7M in employer contributions to support the FRS established employer contribution rates, which brings the budget increase for employer contributions to \$4.4M, a blended contribution rate of 25.4%.

In accordance with my obligation under Chapter 30.49, Florida Statutes, I respectfully submit for your consideration my modified Fiscal Year 2023/2024 Certified Budget proposal of \$165,878,000, a \$1.5M increase over what was originally submitted. The proposed budget is both reasonable and necessary for the proper and efficient operation of the Sheriff's Office and reflects the expenditures required for the upcoming fiscal year to carry out the powers, duties, and operations vested with my constitutional office.

The document has been revised to include the increase in FRS employer contributions. I appreciate the support provided by the Board to ensure essential service to the community is not compromised and look forward to our continued partnership throughout the upcoming fiscal year.

Sincerely,

Sheriff Dennis M. Lemma

BUDGET TRANSMITTAL LETTER

Dear Commissioners: April 27, 2023

In accordance with my obligation under Chapter 30.49, Florida Statutes, I respectfully submit for your consideration the Seminole County Sheriff's Office Proposed Budget for Fiscal Year 2023/2024. The proposed budget is both reasonable and necessary for the proper and efficient operation of the Sheriff's Office and reflects the expenditures required for the upcoming fiscal year to carry out the powers, duties, and operations vested with my constitutional office.

SHERIFF'S OFFICE TOP PRIORITIES / COMMUNITY INVESTMENTS

As a modern-day criminal justice organization, our priorities are based on the most significant community concerns. An essential part of our success is derived from focusing on continuous improvement of our agency, the lives of agency members, and the well-being of the citizens we have the honor to serve and protect. We continue to build long-term value for our community through prioritization of our investments.

Child Protective Services

As was previously communicated, the State of Florida, Department of Children and Families (DCF) is in the process of transitioning Child Protective Services (CPS) back under the direction of DCF from the seven Sheriff Offices that currently provide those services on behalf of the state. The transition is scheduled to occur over the ensuing months with a scheduled completion by December 31, 2023.

After nearly 25 years of providing CPS, I am proud that the Seminole County Sheriff's Office set the state standard to emulate and that our outcomes remain among the state's highest. With a collaborative approach working with Guardian Ad Litem, Embrace Families, Kids House, Social Workers, school resource deputies, and other wraparound programs, our care for kids has always risen to the top. Simply put, we are advocates for kids.

We are honoring our commitment to work with DCF to create a smooth transition toward their consolidation plan. In an effort to preserve wrap around services unique to Seminole County, we are in discussions with DCF regarding a memorandum of understanding (MOU) with a proposed 50%/50% funding structure. The MOU reflects a joint commitment to continue current and augmented services focused on successful outcomes for the benefit of children and families in Seminole County, and to provide a forum for ongoing communication and resolution of issues involving child safety. The necessary funding of \$500,000 is being requested as part of my certified budget; a reduction from the \$750,000 that was included in prior year's budget to supplement the DCF contract for Child Protective Services, which had remained unchanged for several years. Additionally, the MOU discussions have included shared workspace for employees of DCF to be co-located with

SCSO to create and maintain an integrated prevention framework that enables the parties to collaborate, implement evidence-based child abuse prevention practices, and jointly work on cases of a criminal nature.

Substance Abuse (Opioid Epidemic)

Through the Board's continued support and ongoing community partnerships, the Sheriff's Office has successfully implemented meaningful methods to better address and combat the ongoing and multifaceted opioid and drug overdose epidemic impacting our county, state and nation. Together we have implemented new and innovative services in our community through open conversation and collaboration.

While overdoses continue to rise in 2023, Seminole Collaborative Opioid Response Efforts (SCORE) has provided a comprehensive approach to transition those who have overdosed and are being treated in the emergency department through a pipeline of detoxification, stabilization, and rehabilitation. SCORE has developed and implemented seamless, collaborative, stabilization and treatment solutions designed to reduce opioid overdoses, recidivism, and fatalities.

The Sheriff's Office proposed budget continues to support this effort through our Drug Enforcement & Behavioral Services Division SCORE Unit, which includes non-fatal and fatal drug overdose response units through programing at the John E. Polk Correctional Facility, programing at the AdventHealth Hope & Healing Center, and through continued collaboration with other community partners.

Seminole County Overdoses								
<u>2020</u> <u>2021</u> <u>2022</u> <u>YTD 202</u>								
Non-fatal	637	729	628	180				
Fatal	103	128	119	35				
Total	740	857	747	215				

We are seeing significant increases in fentanyl across the country, Central Florida and Seminole County. Fentanyl is 100 times more potent than morphine, and 50 times more potent than heroin. A microgram, which is equivalent to eight grains of salt, is a lethal dose. We continue to see fentanyl mixed with knockoff versions of Oxycontin made in clandestine labs and laced in other substances like marijuana and cocaine. The majority of illicit pills being sold on the street contain potentially lethal amounts of fentanyl. In fact, the U.S. Drug Enforcement Administration (DEA) released a public safety alert indicating that of the fentanyl-laced fake prescription pills analyzed in 2022, 6 out of 10 contained a potentially lethal dose of fentanyl. The Sheriff's Office City County Investigative Bureau (CCIB) has seized 5,586 grams of Fentanyl during the first quarter of 2023 and the year over year amounts have climbed sharply since 2020.

Fentanyl Seized (in Grams) by CCIB									
<u>2020</u>	<u>2021</u>	2022	1st Qtr 2023						
595	786	2,083	5,586						

Behavioral / Mental Health

Through your support and community partnerships, the Sheriff's Office was allocated American Rescue Plan Act (ARPA) funding to expand and improve the behavioral health system using community-wide strategies to address the continued challenges of connecting people to appropriate treatment and support services. The Sheriff's Office proposed budget continues to support this effort through the Drug Enforcement & Behavioral Services Division's Behavioral Services Unit, the Juvenile Justice Division's Juvenile Mobile Crisis Response (JMCR) Program and Juvenile Intervention Services (JIS) Program:

The Behavioral Services Unit works to enhance law enforcement crisis intervention models, increase awareness and training, and improve the integration and timely access of mental health services for individuals and families in need. This includes strengthening our partnerships within the community and working alongside service providers and the judicial process to identify appropriate mental health services and placement for persons who are entering into the criminal justice system.

The JMCR program provides law enforcement with an option for juveniles facing a mental health crisis when symptoms or behaviors may be alleviated through crisis intervention and/or de-escalation while on scene. The program team consists of licensed therapists trained to intervene, assess, and assist juveniles who are experiencing a mental health crisis. Care coordinators assist with navigating and connecting the child and family to necessary resources and services, including juvenile Baker Acts.

The JIS program assists families with school-aged children dealing with issues related to mental health, behavioral, and academic and truancy concerns through community referral. The JIS team assist youth in learning new skills to help reduce at-risk behaviors and to teach parents to reinforce these skills as well as connecting families to appropriate community resources that fit their needs.

Personnel Recruitment and Retention

The Sheriff's Office's greatest need is to both attract and retain quality personnel while maintaining our high standards. Continued anticipated turnover, as well as a diminishing applicant pool resulting from societal influences, expanded job requirements, and an increasingly competitive market, are considerations to our overall competitive positioning. The most important investment of public resources is human capital; keeping well-trained deputies and civilian personnel to address increased demands for service.

The proposed budget includes funding to maintain a sensible compensation strategy that is competitive with the market. There is a significant cost to the community in not remaining competitive in personnel spending. The cost of recruiting, training, and not retaining quality personnel are opportunity costs that require careful consideration when making budget decisions. Thoughtful spending toward personnel provides a significant return on investment and is a responsible use of public funds.

SHERIFF'S OFFICE CERTIFIED BUDGET

The Fiscal Year 2023/2024 Certified Budget proposal of \$164,348,000 represents estimated expenditures necessary to support the general fund operational responsibilities of the Sheriff's Office for the upcoming year; including the provision of law enforcement services, adult and juvenile detention services, court services, and various other operational responsibilities entrusted with the Office of the Sheriff. The Certified Budget proposal is presented net of service agreement revenues for dispatch services, school resource deputies, and technology services totaling \$7,441,800. Additionally, certain contractual revenues and fees estimated at \$4,345,000 are deposited directly into the County's general fund and do not offset the Certified Budget proposal.

The budget is based on a fiscally accountable philosophy, with the following guiding principles used in development of the budget:

- As a service organization our employees are the most valuable asset, the budget concentrates on maintaining a competitive compensation package designed to preserve a productive and skilled workforce. Ensuring employees maintain a proper standard of living helps to promote commitment and focus on the organizational mission.
- > Allocation of resources in support of maintaining service levels and redirection of resources to priority needs.
- > Renewal and replacement of technology, fleet, and other vital equipment in a systematic manner based on life-cycle requirements. Scheduled renewal and replacement results in reduced operational down-time and lower maintenance costs, while supporting continuity of services to the public.

The Proposed Certified Budget includes the following:

- The personnel services budget represents 83.1% of the Sheriff's Office Certified budget and reflects a 6.6% increase over the current year. An additional \$1,500,000 or 1.2% of the overall increase is attributable to an 8% increase in the actuarial determined employer contribution rates for the Florida Retirement System. The remaining 5.4% increase is to support compensation adjustments for personnel inclusive of related taxes and benefits. No new positions are requested within the certified budget, positions are continuously reviewed and repurposed to address areas of greatest need. Other funding sources such as ARPA funds have paid for additional staffing requirements in specific areas.
- The operating expenditure budget has continued to rise relational to the inflation experienced over the past two years. A challenge is the rising cost of inmate medical services, including use of contracted staffing, provider services, and pharmaceuticals. Other increases include insurance, vehicle maintenance, inmate supplies and food, and technology costs.
- The capital outlay budget increase of 3.9% is specific to the significant increase in the cost of replacement of outfitted vehicles.
- The contingency budget, which has remained flat for 20 years, was increased to be consistent with recent costs incurred for Hurricane Ian response.

Each year as I prepare my budget, I remain mindful that public safety is a fundamental quality of life government service that requires a significant investment of the community's resources. My budget is based upon a fiscally conservative philosophy that prioritizes resources to accomplish the Sheriff Office's responsibilities and address the community's greatest needs. I also remain mindful of the Board's responsibility to provide our community with a wide variety of important public services, while balancing taxation and spending to ensure continued fiscal sustainability. Therefore, I have made it a practice to ensure my budget growth rate remains below the growth rate in property tax revenue, as follows:

	SCSO		7-0-D-II	Budget growth
	Budget		Tax Roll	compared to
Budget	Growth	Tax Year	Growth	Tax Roll
FY17/18	3.4%	2017	7.1%	-52%
FY18/19	5.6%	2018	7.9%	-30%
FY19/20	4.4%	2019	8.1%	-45%
FY20/21	3.3%	2020	6.6%	-49%
FY21/22	3.5%	2021	5.2%	-32%
FY22/23	11.9%	2022	12.2%	-3%
FY23/24	7.0%	2023	9.5%	-26%

CONCLUSION

The Seminole County Sheriff's Office remains committed to continuing our efforts to safeguard our community with the highest level of professionalism and integrity. Thanks to the hard work and dedication of the men and women of the Sheriff's Office and the continued support of our citizens and businesses, we continue to enjoy a low crime rate in Seminole County. This could not be possible without the continued support from the Board of County Commissioners.

My philosophy has been and will continue to be, to plan for today as well as look for ways to challenge the basic assumptions of traditional law enforcement service delivery. Considering only 10-20% of crime is reported and unreported crime is often perpetrated upon our most vulnerable populations, the most important thing we can do is to prevent crime from occurring in the first place. Our overall success is a direct result of the sustained budgetary resources that have been allocated.

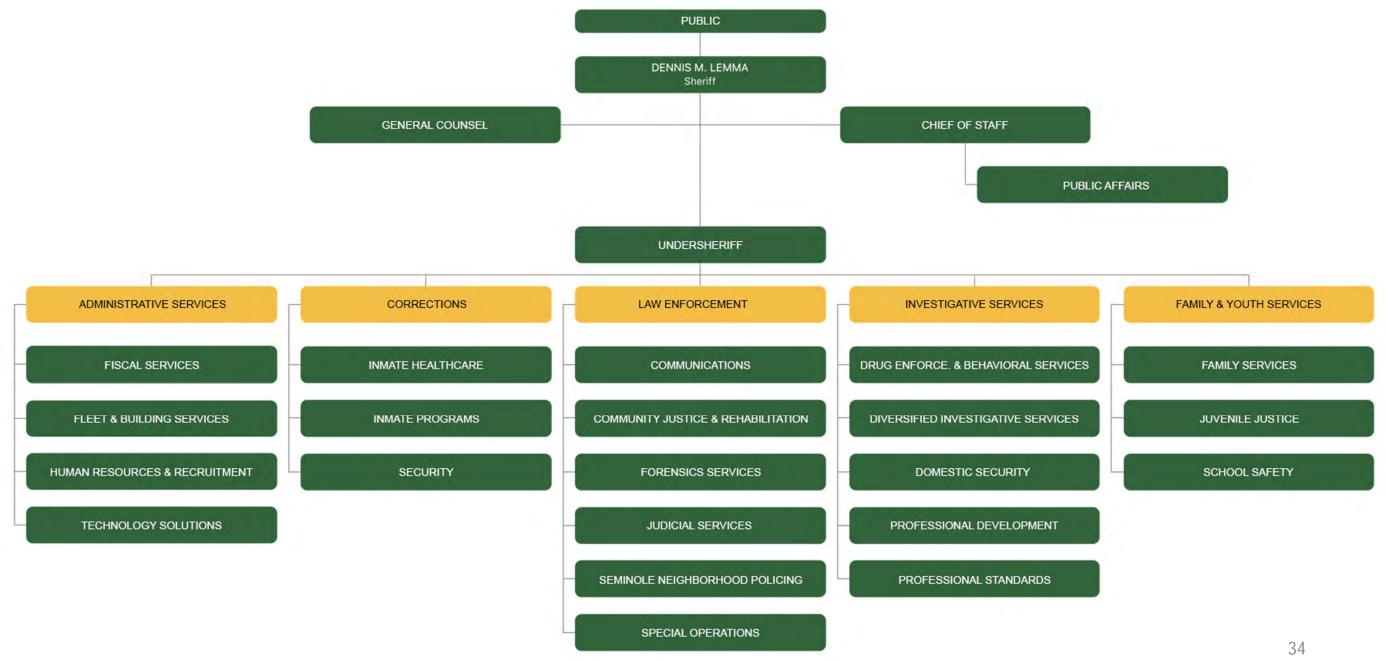

We appreciate the support provided by the Board to ensure essential service to the community is not compromised and look forward to our continued partnership throughout the upcoming fiscal year.

Sincerely,

Sheriff Dennis M. Lemma

BCC FACILITIES

In accordance with Chapter 30.49(d), Florida Statutes, the BCC Facilities Budget is requested separately from the Sheriff's Certified Budget for consideration in the County Budget for funding FY 2023/2024 annual operating and capital improvements of County-owned facilities operated by the Sheriff.

Classification	FY	2023/24	FY	/ 2022/23	\$ CI	nange	% Change
Operating & Maintenance	\$	2,000,000	\$	2,000,000	\$	-	0.0%
Critical Capital Improvements		975,000		975,000		-	0.0%
TOTAL BCC BUDGET	\$	2,975,000	\$	2,975,000	\$	-	0.0%

- **OPERATING AND MAINTENANCE**: The facilities annual operating and maintenance budget is for day-to-day repair, maintenance and utilities for the John E. Polk Correctional Facility (JEPCF) and Seminole County Juvenile Detention Center. Also included in this budget are maintenance, repair and replacement of security camera systems, cell locks, magnetometers and x-ray equipment at the three court facilities, two correctional facilities, juvenile assessment center and Building 100.
- CRITICAL CAPITAL IMPROVEMENTS: The critical infrastructure capital improvement budget request is proposed as follows:
 - <u>Communications Center Renovation and Expansion \$975,000</u> Additional funding for the expansion and renovation of the Communications Center, establishment of updated and additional work stations to operate the center, and relocation of the communication's administrative staffing to adjacent office space. The total project budget of \$3 million has been funded as follows: unspent budgeted Contingency amounts of \$160,000 carried forward from FY 2016/17, FY 2017/18 and FY 2018/19; \$900,000 carried forward from the FY 2019/20 closeout; \$975,000 BCC Facilities budget in FY 2020/21 and the current FY 2023/24 request.

SHERIFF'S SPECIAL REVENUE FUNDS

Overview:

Special Revenue Funds are established to account for the proceeds of specific earmarked revenue sources that are restricted by law or committed to expenditure for specified purposes. Included in the Special Revenue Funds are grant revenues received through contracts with federal and state agencies to finance particular programs or activities and transfers from the County of statutory revenues restricted for use within the Sheriff's operations. The current Special Revenue Funding for the Seminole County Sheriff's Office includes funding for 43 full-time positions and 1 part-time position.

Changes to Child Protective Services:

The Seminole County Sheriff's Office is one of seven Sheriff's Offices currently contracted by the Florida Department of Children and Families (DCF) to provide Child Protective Services on behalf of the State. Recent legislation has been proposed to return the child protective services contracted with the seven Sheriff's Offices back to DCF. Due to the proposed legislation, the Special Revenue Funding under the Child Protective Services agreement and the 61 full-time positions and 2 part-time positions funded under the agreement have been excluded from the Sheriff's FY 2023/2024 Proposed Budget.

Clerk of the Circuit Court and Comptroller Seminole County

May 4, 2023

Commissioner Amy Lockhart, Chairman and Members of the Seminole County Board of County Commissioners 1101 E. First Street Sanford, Florida 32771

RE: Proposed Budget for the Clerk of the Circuit Court Article V for Fiscal Year 23-24

Dear Chairman Lockhart:

Pursuant to Article V, Section 14 of the Florida Constitution, and Section 29.008 of the Florida Statutes, counties are required to fund the cost of communications services, existing radio systems, existing multi-agency criminal justice information systems (CJIS), and the cost of construction or lease, maintenance, utilities, and security of facilities for the circuit and county courts, public defenders' offices, state attorneys' offices, and the offices of the clerks of the circuit and county courts performing court-related functions.

Further, per Section 008(h)(2) of the Florida Statutes, counties shall also pay reasonable and necessary salaries, costs, and expenses of the state courts system, including associated staff and expenses, to meet local requirements.

During my first year in office, as elected Clerk, I attempted to properly report the County Funded Court Related Functions per Article V when I submitted my initial proposed budget request. The request resulted in a significant increase in the budget transfer request from the previous fiscal year, which was met with resistance. As a result, the budget request was amended, and we reverted to how Article V costs were handled by my predecessor, which was to use Recording Fees, as dollars became available.

When I was first elected, our Information Services systems were antiquated, had significant security issues, and could fail at any moment. We were using tape-drive backups, and staff did not have email or internet access. My goal has been to create the premier Clerk's office. I have achieved many of my goals, such as modernizing computer systems that were at risk of failure and making the office as paperless as possible. In a very short period of time, we have become a technology leader in the state. We are the pilot County for many State-wide initiatives and have provided several first-in-the-state features such as eCertifying documents for Board records. Our technological advancements and innovations have required an investment in human and financial resources and have produced proven results. Please see attached list of technology accomplishments for further details.

Our Recording fees have decreased due to the economic impact of higher interest rates and fewer homes being purchased or refinanced. These fees have been used to fund court-related projects that fall under County Funded Court Related Functions as they are typically outside the scope of the Clerk of Court Operations Corporation's (CCOC) funding.

We have seven (7) full-time programmers in our Information Services department. They spend half their time on our criminal justice information system ("CJIS"). Our systems are all developed and maintained internally, which gives us the flexibility to make our systems run as we need and be able to update them in a timelier manner. We have also worked with many other agencies to fulfill their needs using our systems. Most other counties have purchased their software from vendors and rely on the vendor to provide support; therefore, the cost of maintaining their systems is reported as operating expenditures rather than personnel costs. By having a team of in-house programmers, we have created systems that are more secure (we are the only County with an end-to-end encrypted Court System in Florida), more nimble to change (we

responded to the COVID-19 pandemic within 30 days, allowing for virtual Court to be conducted) and operate more efficiently.

I am submitting a proposed budget request of \$969,718 for County funding of Court-Related functions for fiscal year 23-24. This amount is comprised of \$44,700 of Part B of the Article V Report under Non-Recurring Fixed Capital Outlay Expenditures, \$355,428 of Part C of the Article V Report under Operating Expenditures and \$569,590 of personnel costs, of Part E of the Article V Report under Other Operating Court Related Expenditures. By reporting these costs in the Article V Report, the County's Funding Court-Related functions are more properly captured and reported when the Article V Report is submitted to the Florida Department of Financial Services.

I am very pleased with our accomplishments as a County. I continually hear from the public, attorneys, and other partners, how Seminole County is the easiest Clerk's office to work with. My office has also received multiple 5-star reviews, which is typically rare for a government agency.

I want to continue to provide premier services to our constituents and to do that, we have to ensure our office is properly funded. With the County providing Article V funding, we will continue to enhance our IT infrastructure and continue to provide our citizens with the premier services they have experienced within the last five years. This could potentially result in higher Excess Fees being returned to the County since we will not have to use them for all of our court-related technology enhancement projects.

I am enclosing some print screens as exhibits of our judicial viewer and our subpoena process. I am willing to work with the County for transparency and a plan of how we can transition to properly report the County's Court Related Funding per Article V.

If you should have any questions or need additional information regarding the proposed court-related budget, please do not hesitate to contact me at 407-665-4335 or Jenny Spencer, Director of the Comptroller's Office and Clerk Finance, at 407-665-7665.

Sincerely

Grant Malov

Technology Accomplishments

Since I've taken office, I have revamped our Court's Information Services infrastructure. The Clerk's Office supports local criminal justice information systems (CJIS) interfaces at an ever-growing level of timeliness and efficiency. A few of the new features that have been added to the Seminole CJIS are:

The following interagency interfaces save time and allow a greater level of efficiency:

- Clerk's office and the jail
 - o Judge assignment
 - o Case creation data
 - Sending completed court minutes electronically to the jail
- Clerk's office and the Sheriff's office
 - o Law enforcement subpoena data exchange
 - o Law enforcement subpoena user interface for Sheriff
- Clerk's Office and State Attorney
 - o Subpoena data exchange
 - Subpoena data error correction routines
 - Realtime eCertified documents user interface

The Judicial Viewer allows instant access to the court case file by the judge from anywhere:

- Implemented CAPS certified Judicial Case file viewer
 - Supports virtual court
- Continuously enhance Judicial viewer
- Judicial viewer receives proposed orders electronically
- Judicial viewer eFiled orders electronically
- Sign documents electronically
- Maintenance and bug fixes
- Support production environment
 - Server hardware
 - Storage subsystems
 - Networking
- Support test and development environments
 - Server hardware
 - Storage subsystems
 - Networking

Authorized online access to court case data and files for our justice partners and the public:

- Search, view, and print court cases
- View Court events
- View case parties
- View case progress docket
- Real-time access to eCertified documents

Leadership in many State-wide initiatives

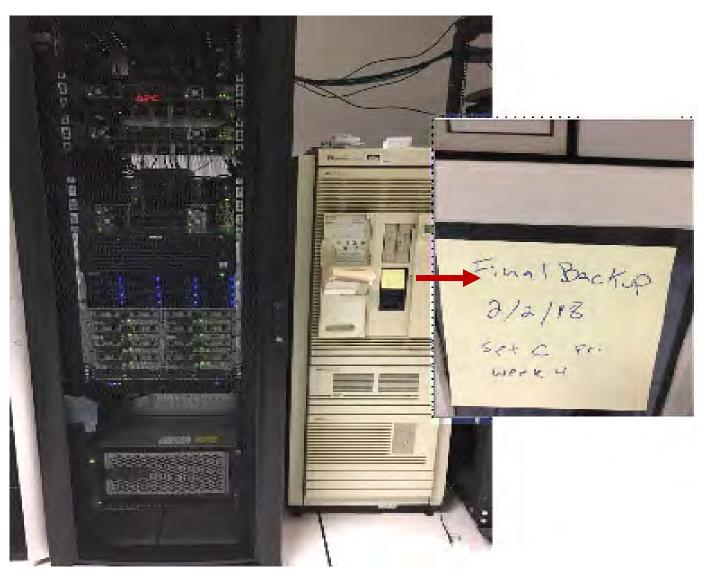

- Pilot county for supreme court criminal case initiation project
 - Will allow real-time case creation
 - Faster and more cost-effective process
 - Will allow real-time arrest document filing
 - Faster and more cost-effective process
 - Will allow Virtual Court for first appearance
 - More cost-effective process
- Pilot County for accepting proposed judicial orders through the ePortal
- Pilot County for providing real-time eCertified Court records to law enforcement agencies
 - o Additional benefit: First County to provide eCertify document electronically for clerk to the board (commission records) functions

Technology Accomplishments (continued)

Replacing 1990s legacy systems with a modern and reliable system. The Old Systems were:

- too slow to provide Internet access
- not secure enough for Internet access
- no longer supported and were maintained only by extended support
- would require weeks to restore in the event of a failure

NEW Technology OLD Technology

Community Integrated Mobile Health Services

Community Integrated Mobile Health Services

Community Mobile Services Outreach

Community Mobile Services Outreach

- Priority populations: uninsured, underinsured, underserved, low-income, and homeless populations.
- Aims to reduce or eliminate transportation and financial barriers to ensure underserved, low income and other at-risk members of the community who experience health disparities receive much needed medical screening, testing and social services.
- Provides health screenings (e.g., blood pressure, oxygen saturation, A1c/glucose testing, hepatitis, HIV, STIs).
- Provides referrals for additional services as needed (e.g., family planning, food pantries, vaccinations, community partners).
- Provides incentives (e.g., hand sanitizer, raincoats, socks, washable cloths, hygiene kits, packs of masks, condoms).
- Provides monthly community outreach events.
 - Includes: Sanford, Chuluota, Geneva, Casselberry, Altamonte Springs, Longwood, Oviedo.
 - Medical screenings provided to over 13,000 community individuals from April 2022 to March 2023.

Funding source: Seminole County Government

Staff: 1 FTE Mobile Unit Program Coordinator

Pediatric Asthma

Pediatric Asthma

- Provides home visitation
- Serves children 5 to 18 years old
- Aims to reduce hospital visits
- Aims to reduce school absenteeism
- Receives referrals from hospitals, medical providers, and communities
- Interacted with over 40 clients in 2023

Funding source: Florida Department of Health (FDOH) grant

Staff: 1 FTE Community Health Worker (CCHW)

What is asthma?

Asthma is a serious and life-threater disease of the lungs that

▶ Have a history of reoccurring cough (especially at night),

You may have asthma if you:

wheezing, shortness of breath, chest tightness, or difficulty breathing. Have symptoms that occur or worsen during exercise, viral infection, around animals with fur or feathers, dust mites,

mold, smoke, pollen,

Have symptoms that occur or worsen at night. causing you to wake up.

chemicals, dust, changes in weather, or strong emotional expression.

Diagnosed with

home visit program? • Any child ages 5-18

Who is eligible for the

- Resides in Sem County

Asthma home visits can help reduce

team of trained community health workers

The program includes 3 home visits to:

- ▶ Conduct a home assessment to identify and help eliminate asthma triggers.
- Assess and increase family's knowledge about asthma

Asthma home visit participants had 21 fewer symptom-days per year with 12 fewer school days missed annually.*

*www.thecommunityguide.org/asthma/index.html

Fall Prevention

Fall Prevention

- Priority populations: uninsured, underinsured, underserved, low-income, and homeless populations.
- This program aims to reduce incidents of older adults falls. We are here to help with:
 - Provide education and resources.
 - Provide environmental and physical assessments.
 - Implement effective strategies.
 - Provide mobility aids.
- Provides referrals for additional services as needed (e.g., DDP, DSME, Elder Affairs, Shepherd's Hope/Free Clinic).
- Provides incentives (e.g., flashlights, socks, reach sticks, canes).
- Provides home visits to increase knowledge about fall prevention.
- 141 clients were seen from May 2022 to April 2023, 55 presentations to facilities about the program, and participation in 23 outreach events.

Funding source: Florida Department of Health grant

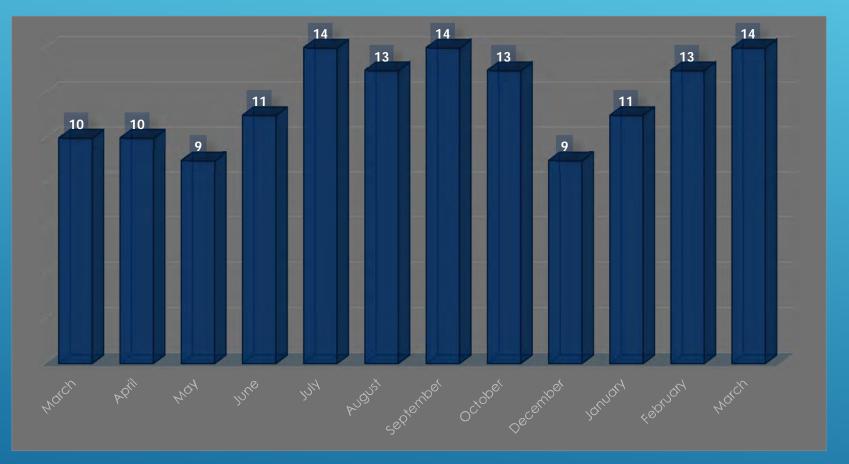

Staff: 1 FTE Program Coordinator

Fall Prevention

Number of clients served 2022-2023

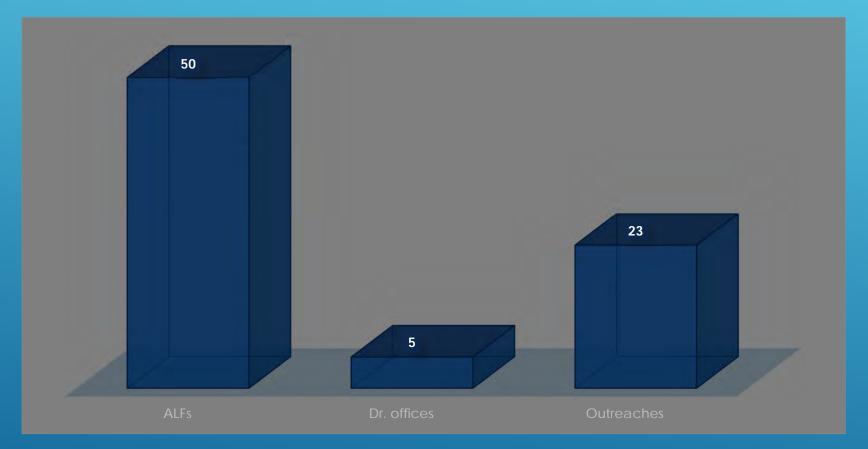

Fall Prevention

Source of Referrals

Community Nutrition Initiatives

Community Nutrition Initiatives

- Provides nutrition education in schools, daycare centers, and senior facilities
- Serves children and adults.
- Teaches people how to shop for and cook healthy meals and how to stay physically active.
- Teaches how to read food labels.
- Priority population: Title I schools and senior centers.
- Served 156 clients in 2022.
- Serves Seminole County residents who have experienced barriers to quality health care services.
- Partnership with numerous community faith establishments.
- Connects clients and families to any services as needed.
- Served 190 clients in 2022.

Funding source: Seminole County Government and Florida Department of Health

Staff: 1 FTE Health Educator FDOH

1 FTE Health Educator Seminole County

Funding Source: In September of 2022, the funding for these positions was pulled from all Department of Health locations. DOH-Seminole felt the programs were having a positive impact on the community and was able to find alternative funding within the budget for one of the positions. For the second position, DOH-Seminole requested funding through the county.

Diabetes Prevention and Management

Diabetes Prevention and Management

- Priority populations: African American and Hispanic.
- Aims to reduce the risk of developing type 2 diabetes.
- Aims to reduce hospitalizations from complications attributed by type 2 diabetes.
- Promotes healthy lifestyles and behaviors.
- Provides diabetes self-management education.
 - Utilizes evidence-based curriculum.
 - Administers mobile delivery, online delivery, and home visitation.
- Receives referrals from DOH programs, medical providers, health council, community partners, and hospitals.
- Goal: screen at least 500 community individuals for type 2 diabetes;
 serve at least 10 clients per month.
 - Screened 522 community individuals for type 2 diabetes from July 2022 to March 2023.
 - Of those 522 individuals screened, 230 met criteria for A1C testing: 145 had normal blood sugar numbers, 39 were considered Prediabetic, and 46 fell in the Diabetic range.

Funding source: Seminole County Government and Orlando Health

Staff: 1 FTE Community Health Worker (CHW) – Seminole County 0.5 FTE Health Educator – Orlando Health

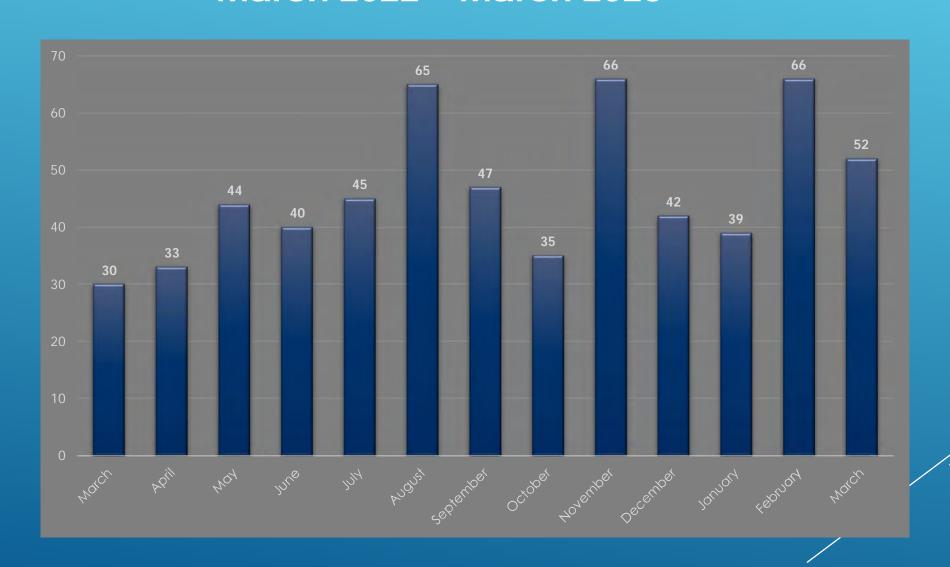

Diabetes Prevention and Management

Number of Diabetic Screenings March 2022 – March 2023

Food Pantry and Health Screenings

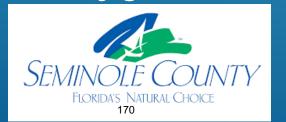

Basic Medical Screenings

- Priority populations: Seminole County community members experiencing food insecurities.
- Screenings are conducted each Wednesday during our Food Pantry.
- Basic medical screenings began January 2023.
- Aims to reduce the risk of developing type 2 diabetes.
- Promotes healthy lifestyles and behaviors.
- Goal: screen community individuals for type 2 diabetes and high blood pressure.
 - Screened 41 community members from January 2023 to April 2023.
 - 16 presented with high blood pressure.
 - 8 received A1c testing with 1 falling in the prediabetes range and 2 falling in the diabetic range.
 - BMI screening: 1 normal range; 11 overweight; 29 obese.

Nutrition and Physical Activity Education - 22/23

- Provided programming for school aged children and adults in lowincome/food desert areas to offset the tide of obesity and sedentary related diseases later in life.
- Provided healthy food demonstrations.
- Established partnership with the Institute of Food and Agricultural Sciences (IFAS) Extension in Seminole County.
- Assisted in creating community gardens for the following locations:
 - St. James House of Prayer (Midway)
 - East Altamonte Springs
 - Warley Park (Sanford)
 - Goldsboro Elementary
 - The Florida Institute for Community Inclusion This is an organization in Oviedo that provides services for individuals with mental disabilities. We provided them with gardening supplies and directions so that a community garden could be established.

Nutrition and Physical Activity Education – 22/23

- Classes for older individuals were held at the following locations:
 - Westside Community Center
 - Georgetown Square
 - Midway Safe Harbor
 - St. James House of Prayer
 - Serenity Towers
 - Sanford Civic Center
- Classes for school aged children were held at the following locations:
 - Goldsboro Elementary: 1st and 2nd grade students
 - Goldsboro Elementary: Repeating 1st and 5th grade students
 - Midway Safe Harbor: Kindergarten, 1st, and 2nd grade students
 - Boys and Girls Club: Elementary, middle school, and high school students

Implementing Overdose Prevention Strategies at the Local Level (IOPSLL)

Overdose Prevention (IOPSLL)

- Provides home visitation.
- Serves Seminole County residents who have experienced a non-lethal overdose.
- Prevents overdose deaths.
- Partnership with Seminole County Sheriff's Office, RASE (Recovery Advocacy Service Empowerment) Project, Advent Health, Medical Director, Recovery Connections.
- Connects clients and families to mental health services and other services as needed.
- Receives referrals from Seminole County Sheriff's Office and community.
- Served 122 clients in 2022/2023.

Funding source: National Association of County and City Health Officials (NACCHO) Grant

Staff: 1 FTE Program Coordinator

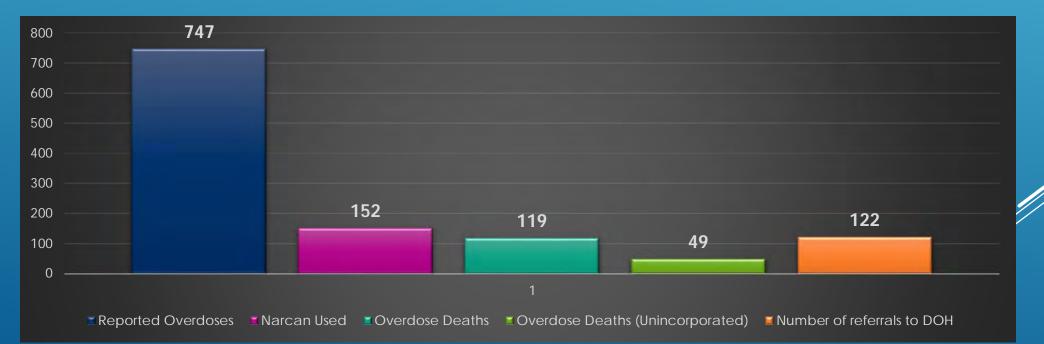

0.5 FTE Epidemiologist

0.5 FTE Health Educator Consultant

Implementing Overdose Prevention Strategies at the Local Level (IOPSLL)

- DOH-Seminole County recognized a need to apply for the NACCHO IOPPSLL grant in 2020 as the county was seeing a 63% increase in overdose incidents from 2019-2020.
- The need to implement prevention strategies prompted the grant application which was awarded. This \$500,000 grant funding gave us the ability to augment existing and preventive services in Seminole County.
- We work in partnership with The Seminole County Sheriff's Office's to provide a collaborative environment
 for resources enhancing local prevention, treatment and enforcement strategies by bridging private and
 governmental entities to serve our community.
- * In 2022, of 833 opioid incidents in Seminole County, 414 required naloxone which is the highest number of naloxone events per 10,000 residents of all Florida counties.

Community Requested Outreach Information

Community Requested Outreach Information

- The goal of our community requested outreaches is to provide health education and services to all Seminole County residents.
- Provides basic medical screenings to all participants.
- Provides referrals (based on need) utilizing Unite Us.
- Attends events during the week, after DOH-Seminole hours, and on the weekends.
- Provides educational incentives and family friendly games.
- Participated in 54 community outreach events from May 2022 to April 2023.

Funding source: N/A

Staff:

DOH-Seminole staff participation. Our agency understands the importance of our community outreach program and all staff are expected to participate in events throughout the year.
