

Seminole County Continuum of Care

There is strength in numbers! Join the Seminole County Homeless Continuum of Care and help us develop a homeless system of care to address the unique needs of Seminole County's most vulnerable citizen.

Policies

- Membership is limited to the following entities:
 - Entities (private business, nonprofits, government entities, etc.) whose physical address is within the borders of Seminole County, Florida
 - Nonprofit in the tri-county area that receive federal, state, local government or United Way funding to provide homeless services in Seminole County, Florida
- CoC voting privileges are contingent upon active membership (must attend at least 50% of meetings per year)
- Membership application must be completed and submitted to join
- One membership = one vote. However, organizations may have more than one representative attend meetings, and should designate the voting member
- Voting by proxy will be allowed – individual/organization should submit information to the designated staff of the lead agency by e-mail prior to the meeting
- Membership renewal application may be updated annually and are effective October 1st through September 30th

Membership Privileges:

- Participation in membership meetings to network and exchange information, and receive updates on issues affecting homeless services at the local, state and national levels
- Voting privileges on homeless issues coming before the continuum.
- Participation in critical committees and work groups to address outreach, HMIS, and other emerging issues relative to homelessness.
- Access to HMIS licenses, training and support for agencies providing prevention and homeless services.
- A resource link to your website on the Continuum of Care official site
- Access to technical assistance and training on best practices and program designs benefiting the continuum, including the completion of the annual CoC application to HUD.
- With the approval of the new Governance Charter, CoC members may be elected to serve on the CoC Governing Board.
