Seminole County Land Development Code

Sec. 35.122 Minor Plat approval; criteria.

- (a) When a parcel of record exists on the effective date of this section, the Planning and Development Director or her or his designee may waive the requirements of this Code relating to conceptual and development plans and may permit the submission and approval of final plans and final plat in accordance with sections 35.14, 35.44 and 35.61 if the following criteria are met:
- (1) The parcel abuts and each created lot will abut existing dedicated public right of way that conforms to the County's standards for width; and
 - (2) Each created lot shall have a minimum lot frontage of twenty feet (20').
 - (3) The development of the parcel would require no additional facility improvements to potable water, sanitary sewer, drainage facilities or roads; and
 - (4) The parcel would be subdivided into no more than four (4) agricultural or residential lots or two (2) non-residential or non-agricultural lots; and
 - (5) If septic tanks are to be utilized for sewage disposal, each lot must conform to the standards set forth in section 35.64; and
 - (6) The subdivision of the parcel would meet all requirements of Part 4 of this Chapter which requirements may be waived by the Development Review Manager if he or she finds and determines that the general intent of this Chapter is met and the subdivision otherwise complies with State law.
- (b) A parcel of land may receive the benefit of the minor plat process on only one (1) occasion and a replat of the subject property shall not be processed under the provision of section 35.182.
