

LAKE HOWELL ROAD BRIDGE REPLACEMENT PROJECT

Road Closure Detour

Dear Residents:

Lake Howell Road Bridge is under contract for reconstruction during the dates of April 27, 2015 through approximately October 31, 2015.

What to Expect:

Replacement of the existing Lake Howell Road Bridge, located approximately 1 mile west of the SR 436/Lake Howell Road Intersection. The project also includes minor drainage improvements, pavement reconstruction, sheet piling, gabion basket walls, utility adjustments by the contractor as well as others. The work will take place during shutdown/detour of Lake Howell Road.

Please do not park vehicles on the street during the above dates.

Please follow detour signs during construction.

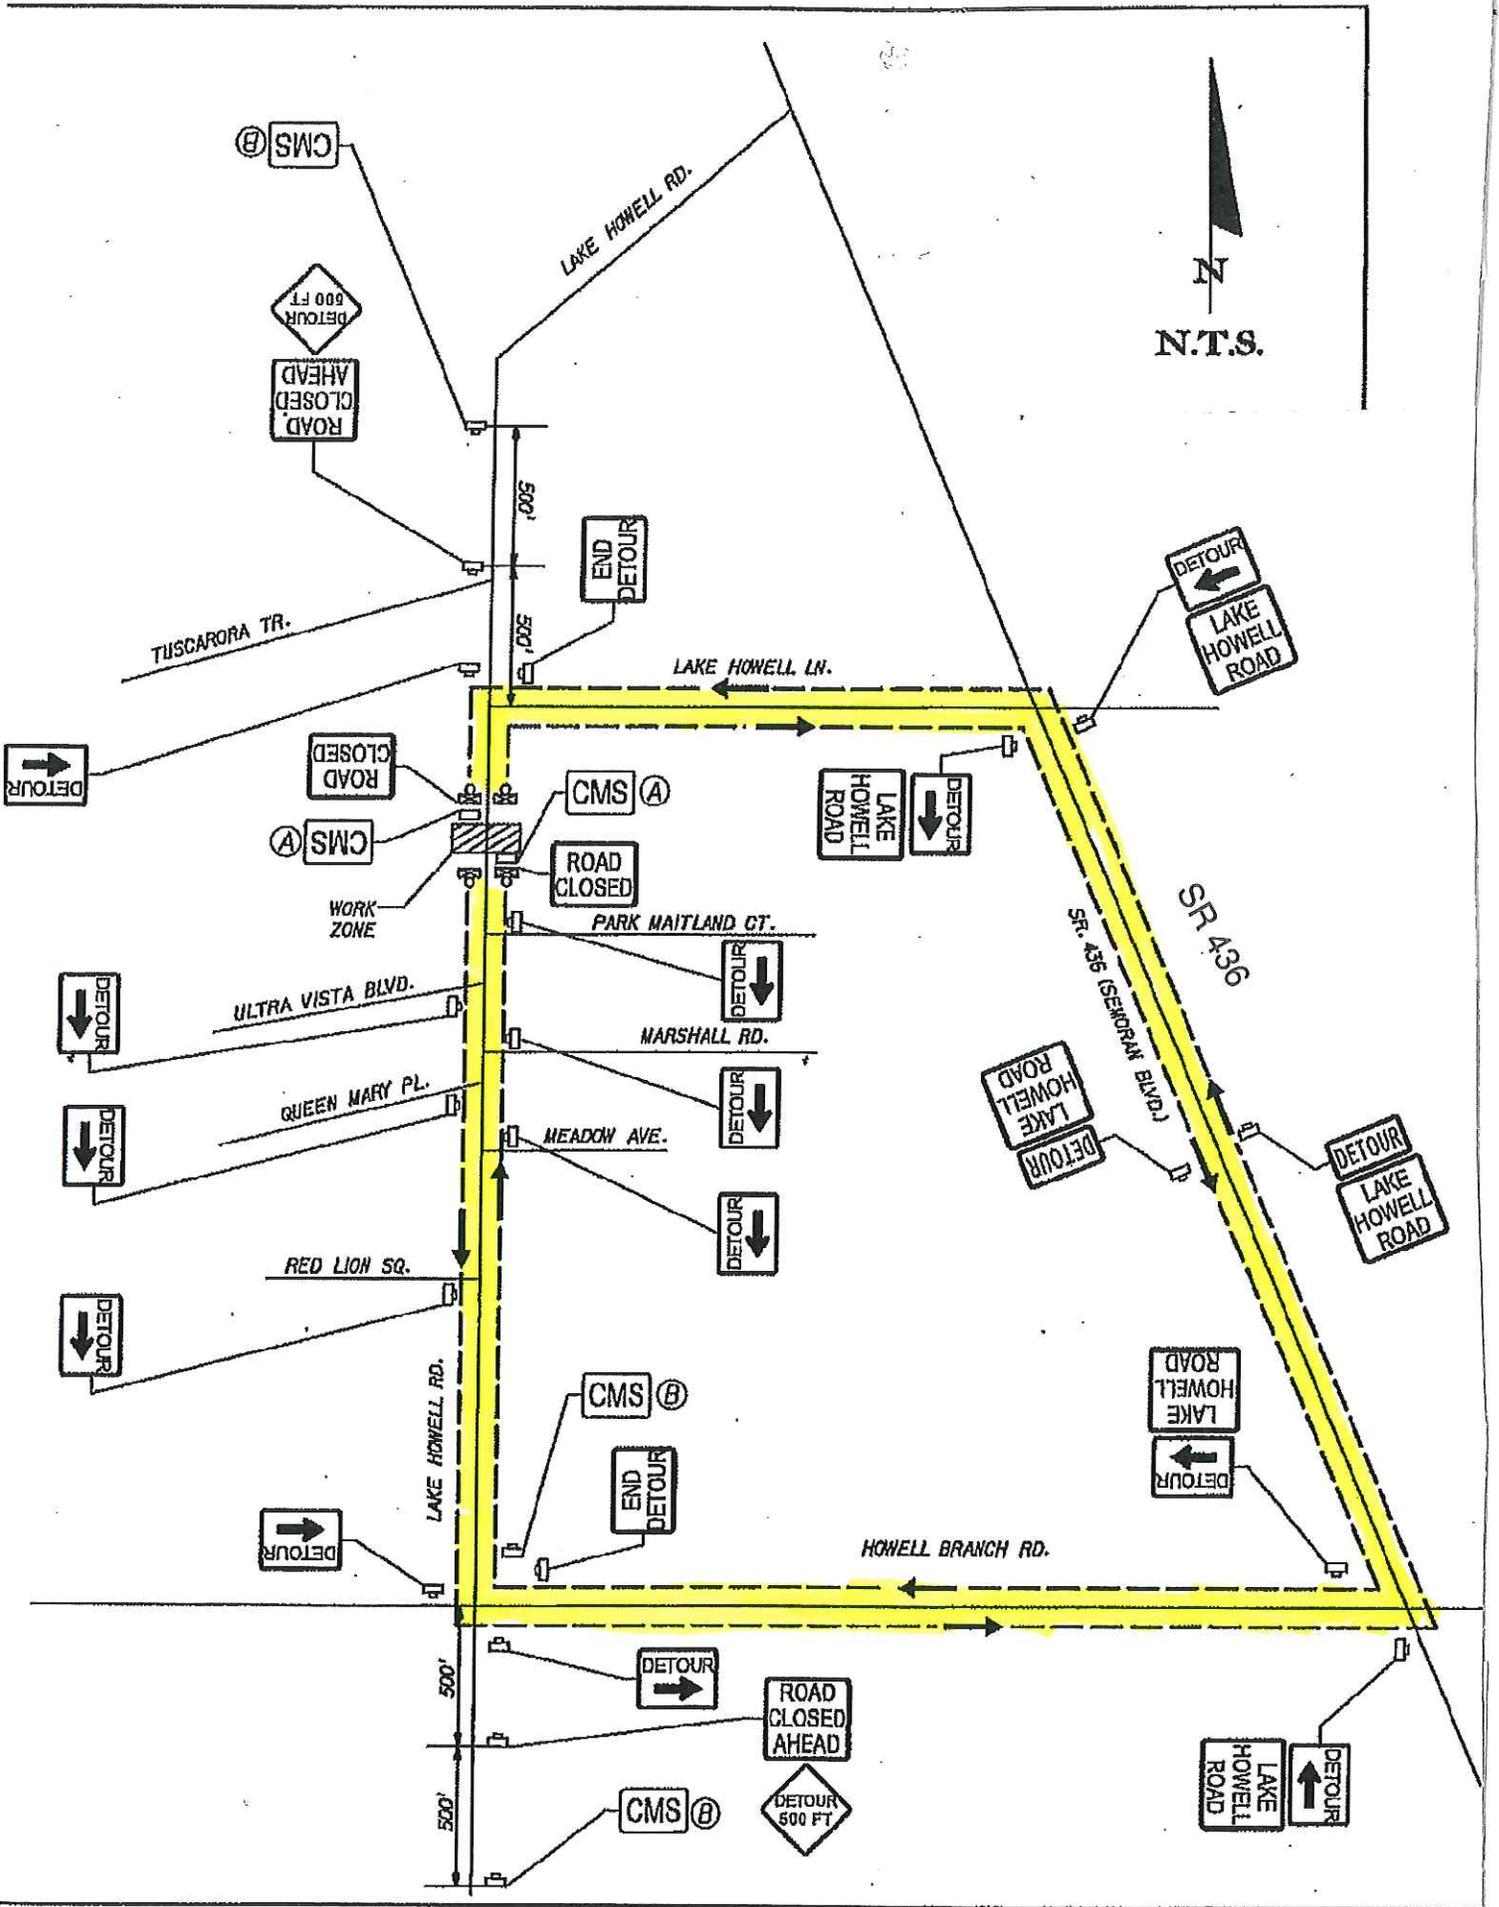

If you have any questions, please do not hesitate to contact either:

Ketan D. Patel with Gibbs and Register at 407-654-6133

Jeff Faith with CDM Smith at 407-641-7564

Attached is a map of the detour for your information and use.

Thank you!
