

SEMINOLE COUNTY FIRE DEPARTMENT

READY TO RESPOND • WILLING TO CARE • TRAINED TO MAKE A DIFFERENCE

2012 ANNUAL REPORT

A REVIEW OF OUR STATISTICS AND
MAJOR ACCOMPLISHMENTS

SEMINOLE COUNTY FIRE DEPARTMENT

READY TO RESPOND • WILLING TO CARE • TRAINED TO MAKE A DIFFERENCE

Message from the Chief...

Significant revenue decreases over the past five years to fire department funding has presented challenges. Capital items that include the building of needed stations and replacement of equipment have been delayed. Despite this, it is evidenced by this report that our determination to provide quality service has not wavered. This is due to the dedication of the 350+ members of the Seminole County Fire Department (SCFD) who are truly dedicated to the profession of emergency services designed to care for their community.

I arrived in Florida for an annual visit. I foolishly tripped over a pavement fault and came crashing down, head first.....the fire truck arrived quickly. The 4 experts involved could not have been more friendly, professional and helpful.....(from the United Kingdom)

Because of the efforts of Engine 12, my brother, sister and I, were able to make it to Orlando in time to see our father before he passed away.....

Calling 911 was the last resort when we could not control the bleeding.....it was our first experience with 911.....the response time, professionalism, the reassurance that all was under control, the preparation for the ER procedures in route, the delivery to the ER.....thank you, thank you.....

Seminole County Fire Department did a fantastic job and I am very happy with what was done for my family. I'm happy they cleaned up the mess before leaving and again pleased with the service and so happy my wife and child made it out of the fire unharmed.....

These are a small example of how differences are made every day by Seminole County's Fire Department. Over the course of the next year, we will look for new ways to reach out to our customers without adding additional cost. It's our way of constantly seeking how we can best provide services for the community we are so proud to serve.

Sincerely,

Leeanna Mims,
Fire Chief

FINANCE

* FY 10/11 Adopted Budget \$45,519,959

- * Grants
\$1,334,959

OPERATIONS

Responds for \$1.07 per day for 24/7 all hazards protection events such as Fire, EMS, vehicle/machine extrication, dive/water rescue, hazard materials response, below ground rescue, high angle rescue and other manmade and natural events (based on current MSTU per \$150,000 home)
