

## A message from Seminole County Environmental Services Department Water Conservation

# MARCH BRINGS NEW LAWN WATERING RULES!

**DAYLIGHT SAVING TIME WATER RESTRICTIONS START MARCH 12, 2023. THE FOLLOWING LAWN WATERING RULES WILL BE IN EFFECT FOR SEMINOLE COUNTY:**

- **No watering** is allowed **between 10 a.m. - 4 p.m.** on any day of the week.
- Residents with **odd street addresses** water on **Wednesday and Saturday**.
- Residents with **even street addresses** water on **Thursday and Sunday**.
- **Reclaimed water customers** may irrigate twice a week year round.
- **Non-Residential customers** irrigate on **Tuesday and Friday**.

**THESE RESTRICTIONS ARE MANDATORY IN SEMINOLE COUNTY INCLUDING THOSE ON PRIVATE WELLS.**

## SAVE MONEY AND HELP CONSERVE ONE OF OUR MOST PRECIOUS RESOURCES, WATER!

**PLEASE NOTE:** If you are replacing sod and need to irrigate more than the restrictions allow, you must fax, mail or deliver your current receipt for sod to: Water Conservation Section, 500 W. Lake Mary Blvd., Sanford, FL. 32773. After receiving the receipt for sod or landscape material, you may be given permission to irrigate for an additional 30 days.

For more information on ways to save money and water, please visit [www.seminolecountyfl.gov/envsrvs/](http://www.seminolecountyfl.gov/envsrvs/) and click on Water Conservation on the left hand menu, or call (407) 665-2121.
