

## **VIRTUAL PUBLIC MEETING PRESENTATION**

Online  
12/10/2020 to 12/24/2020

### **Trails within Power Corridors Feasibility Study**

From Lake Emma Road to Ronald Reagan  
Boulevard

CIP No. 01785317

**Overview** - The Seminole County Public Works Engineering Division is seeking public input on the Feasibility Study of a trail alignment from Lake Emma Road to Ronald Reagan Boulevard, via Greenway Boulevard, the Duke Energy Powerline Corridor and Bay Meadow Road. This trail is identified as a proposed major trail in the Seminole County Trail Master Plan and is intended to provide improved north-south trail connectivity between the City of Longwood and the City of Lake Mary. In addition, this trail is intended to replace the section of the Cross-Seminole Trail along Longwood Lake Mary Road.

**Virtual Public Meeting** - Due to the current Covid-19 related social distance measures, a project website has been prepared to allow online feedback from all project stakeholders, including residents. As the proposed trail may have impacts to right-of-way, existing trees and drainage features, we want to obtain feedback from property owners, in particular. A virtual public meeting presentation will be available online from December 10<sup>th</sup> to December 24<sup>th</sup>, 2020, during which time, stakeholders can provide feedback via the Comment Form on the website.

**Project Website** - You can access the project website by navigating to: [www.seminolecountyfl.gov/cip1785317](http://www.seminolecountyfl.gov/cip1785317). Please sign-in so we can acknowledge your participation and interest. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status.

**ADA Accommodation** – If you desire special accommodation under the America Disabilities (ADA) Act, please contact the Seminole County ADA Coordinator Christina Brandolini by email at [cbrandolini@seminolecountyfl.gov](mailto:cbrandolini@seminolecountyfl.gov) or by phone at (407) 665-7940.
