ORDINANCE NO. 2015 - 6 **SEMINOLE COUNTY, FLORIDA**

AN ORDINANCE CREATING THE LAKE HOWELL AQUATIC VEGETATION AND LAKE MANAGEMENT MUNICIPAL SERVICES BENEFIT UNIT (MSBU) FOR THE PURPOSE OF PROVIDING AQUATIC VEGETATION AND LAKE MANAGEMENT TO THE LAKE AREAS WITHIN THE MSBU; PROVIDING IDENTIFICATION OF PROPERTY INCLUDED IN SAID MSBU; PROVIDING FOR THE GOVERNING OF SAID MSBU BY THE BOARD OF COUNTY COMMISSIONERS; PROVIDING FOR INTERLOCAL AGREEMENT WITH THE CITY OF CASSELBERRY TO COORDINATE IMPROVEMENTS PURSUANT TO CHAPTER 163, FLORIDA STATUTES; PROVIDING INCLUSIONS FOR BENEFITING PARCELS IN CITY TAX DISTRICT PURSUANT TO CHAPTER 197, FLORIDA STATUTES; PROVIDING THE ASSESSMENT FORMULA; PROVIDING A LIST OF ESTIMATED ANNUAL ASSESSMENTS FOR ASSESSMENT AND COLLECTION BY THE UNIFORM METHOD ADOPTED BY THE SEMINOLE COUNTY BOARD OF COUNTY COMMISSIONERS ON FEBRUARY 24, 2009, PURSUANT TO SECTION 197.3632, FLORIDA STATUTES; PROVIDING FOR CODIFICATION IN THE SEMINOLE COUNTY CODE; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Seminole County, Florida has the authority to establish a Municipal Services Benefit Unit (MSBU) pursuant to Chapter 125, Florida Statutes; and

WHEREAS, there are lakefront properties and off-lake properties with associated rights to lakefront property within the City of Casselberry and/or unincorporated Seminole County at Lake Howell which will benefit from the municipal services of lake and aquatic vegetation management; and

WHEREAS, pursuant to Chapter 163, Florida Statutes, local governments are encouraged to cooperate on the basis of mutual advantage to provide services that influence the needs of local communities; and

MARYANNE MORSE
Clerk of Circuit Court and Comptroller
SEMINOLE COUNTY, FLORIDA
BY _____
DEPUTY CLERK

WHEREAS, pursuant to Section 125.01(5)(a), Florida Statutes, the City of Casselberry will establish the required city ordinance providing authorization for Seminole County to assess and collect through uniform method the aquatic vegetation and lake management cost share allocation from Lake Howell waterfront parcels and off-lake properties with associated rights to lakefront property within the city's taxing district by establishment of; and

WHEREAS, the referenced municipal service with funding provided by non-ad valorem assessment was requested via a community-based application and the required Petition to Create an MSBU distributed and monitored by the MSBU Program demonstrated a favorable community support percentage that met and exceeded the sixty-five percent (65%) support level required by Section 22.10(N) of the Seminole County Administrative Code; and

WHEREAS, the properties that will benefit from lake aquatic vegetation management for Lake Howell are all located within the City of Casselberry and/or unincorporated Seminole County; and

WHEREAS, the non-ad valorem assessments which result from enactment of this Ordinance may be adjusted annually due to changes in the number of benefit units, changes in Department of Revenue classification or fluctuations in operating and/or administrative expenses necessary for lake and aquatic vegetation management; and

WHEREAS, the initial assessment per cost-benefit component is proposed at: (1) $715.00 per each lakefront property; (2) $1.05 per each lake frontage foot above average lake frontage width; and (3) $34.00 per each Right-of-Use (ROU) Unit as per cost projections provided in Exhibit A; and

WHEREAS, the MSBU Program, working in conjunction with the Seminole County Public Works Department, will select the service provider(s) according to standard Purchasing and Contract provisions; and

WHEREAS, the MSBU Program, working in conjunction with the Seminole County Public Works Department, will maintain decision-making authority relative to initial and on-going lake and aquatic vegetation efforts; and

WHEREAS, community participation and representation is encouraged in support of certain MSBU activities, a voluntary group of no more than twelve (12) representatives of the assessed properties will be provided opportunity to serve as Liaisons of the Lake Howell community. The liaisons will serve as a representative of the community on lake and aquatic vegetation management issues, monitor lake conditions, participate in annual lake and aquatic vegetation management planning and annual lake and aquatic vegetation management budget sessions conducted by the County, and encourage communitywide awareness and participation relative to environmental stewardship recommendations and opportunities. As Liaison representation from various land classifications is encouraged, the liaison group will be comprised of two (2) representatives designated by the Friends of Lake Howell; one (1) representative designated from each common element land property; and two (2) liaisons designated by the remaining lakefront community; and

WHEREAS, the Board of County Commissioners has approved the hereinafter described project,

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF SEMINOLE COUNTY, FLORIDA:

Section 1. Short Title. This Ordinance shall be known and referred to as the Lake Howell Aquatic Vegetation and Lake Management Municipal Services Benefit Unit (MSBU) Ordinance.

Section 2. Creating Unit; Improvements. There is hereby created within Seminole County the Lake Howell Aquatic Vegetation and Lake Management Municipal Services Benefit Unit (MSBU) for the purpose of providing aquatic vegetation and lake management to Lake Howell within the MSBU. Said MSBU shall encompass and include lake management with aquatic vegetation management by chemical, biological, mechanical and/or other means associated with on-going efforts to monitor and manage aquatic vegetation growth as defined in Exhibit A. Said MSBU boundary shall encompass the parcels listed in Exhibit B per the property records maintained by the Seminole County Property Appraiser, all of which are located within the City of Casselberry and/or unincorporated Seminole County, Florida.

Section 3. Powers and Duties of Board. The MSBU shall be governed by the Board of County Commissioners of Seminole County, Florida, which Board shall have the following powers and duties:

(a) To provide for the collection and disbursal by the County of such funds as may be necessary to pay the expenses for aquatic vegetation and lake management within the MSBU.

(b) To provide for or contract for the design, construction, and maintenance of the chemical, biological, mechanical or any combination of aquatic vegetation management methodologies as set forth in Section 2.

(c) To levy non-ad valorem assessments upon property abutting, adjoining and contiguous to such lake management and aquatic vegetation management areas when such property is specially benefited by such services.

(d) To levy non-ad valorem assessments upon any property which is specially benefited and/or abuts, adjoins and is contiguous to such aquatic vegetation management, or which may have been omitted from the hereinafter described assessment listing, upon giving sufficient notice to the owners of such property and holding a public hearing to consider any comments, objections or other relevant information to arrive at such decision to levy such non-ad valorem assessments.

Section 4. Administrative Costs. All property included in the assessed boundary will be assessed administrative costs, as promulgated under the Municipal Services Benefit Unit procedures.

Section 5. Assessment Formula. The assessment formula used to determine the amount to be assessed to each property specially benefited from the referenced municipal service includes three (3) cost-benefit allocation components:

(1) Lakefront Property. Each lakefront property is assigned an equal cost share for the base benefit conveyed with the assessment revenue from this component category generating approximate forty-eight percent (48%) of the total required assessment revenue in any given year.

(2) Lake frontage greater than average width. Each property with a lakefront width in excess of the lakefront average width is assigned an additional cost share amount per each additional foot of lake frontage, with the assessment revenue from this component category generating approximately five percent (5%) of the total required assessment revenue in any given year.

(3) Right-of-Use (ROU) units. Each lakefront parcel is assigned Right-of-Use (ROU) unit(s) based on right to use lakefront property and or the lake with a minimum quantity of one

(1) ROU unit per property with the assessment revenue from this component category generating approximately forty-seven percent (47%) of the total required assessment revenue in any given year. The ROU unit assignment is determined according to the Department of Revenue (DOR) classification assigned to a property by the Seminole County Property Appraiser with allocation as follows:

(a) One (1) unit per single family residential property;

(b) One (1) unity per each associated non-lakefront parcel with Right-of-Use dedicated through common element land;

(c) One (1) unit per dwelling for apartment and multi-family property;

(d) Unit count assignment for institutional property categories such as clubs, lodges and churches based on the Right-of-Use characteristics offered or extended in association with the institutional classification and the potential usage of the lake in association with the institutional use of the property: and

(e) A minimum of one (1) ROU unit for all other classifications not specifically listed. Specific to lakefront residential properties that have associate rights with common element land on the lakefront, a respective associated parcel's ROU unit will not be assigned to such a lakefront property. The pro-rata assessment allocation for common element land assigned to a lakefront property that is assigned a ROU cost allocation as a lakefront property will be based on the pro-rata amount for components (1) lakefront property and (2) lake frontage greater than average width; such lakefront property will not be assigned a (3) Right-of-Use (ROU) unit respective to the common element land.

The non-ad-valorem assessment for the MSBU shall be derived annually by allocating the total annual budgeted costs of the MSBU according to the tri-component methodology and

by assigning the respective cost to each parcel in the MSBU based on the designated benefit units per component per parcel. The assessment amount per component shall be approved annually by Board resolution. Said assessments shall constitute a lien upon the lands assessed. Pending collection by the County of such assessments, as provided herein, the County may spend from its Municipal Services Benefit Unit Fund such sums as may be necessary to operate, maintain and administer the MSBU hereby created, and the County will be reimbursed to such extent at such time assessments are collected.

Section 6. Common Element Land. The assessed boundary of this MSBU includes lakefront parcels that are under individual ownership and lakefront parcels that represent common element land. Common element land is defined as land designated and retained for the exclusive benefit of a group of properties, generally designated to be a subdivision. The assessment allocated to a common element lakefront parcel will be collected through assignment of an equal pro-rata amount to each parcel associated with the common element parcel. The prorated allocation of the assessment will be calculated by dividing the assessment otherwise assigned to the common element parcel by the number of associated parcels. Associated parcels that are also assessed as a lakefront parcel will not be assigned a ROU unit in conjunction with the pro-rata assessment levied for cost sharing per a common element land parcel. The ROU unit for such properties is assigned and levied against the lakefront property.

Section 7. Method of Assessment and Collection. All non-ad valorem assessments which may result as herein shall be assessed and collected by the uniform method adopted by the Seminole County Board of County Commissioners, pursuant to Section 197.3632, Florida Statutes.

Section 8. Initial Assessment Roll and Annual Assessment. The initial assessment roll as developed per the provisions of the Lake Howel Aquatic Vegetation and Lake Management Municipal Services Benefit Unit Ordinance is provided in Exhibit C. The assessment amounts may be adjusted annually. An assessment increase in any given year is limited to an amount no greater than ten percent (10%) above the prior year rate. An assessment increase amount greater than ten percent (10%) in any given year as set forth in this Ordinance can be authorized by the Board of County Commissioners by resolution at a public hearing or by consent resolution subsequent to an MSBU Program petition process that confirms the owners of at least sixty-five percent (65%) of the assessed properties support the recommended increase. Assessments will be adjusted to accommodate Department of Revenue classification changes and to include any new parcels derived from a property split, merge or join within the said MSBU.

Section 9. Codification. It is the intention of the Board of County Commissioners that the provisions of this Ordinance shall become and be made a part of the Seminole County Code, and that the word "ordinance" may be changed to "section", "article", or other appropriate word or phrase and the sections of this Ordinance may be renumbered or re-lettered to accomplish such intention; providing, however, that Sections 9, 10 and 11 of this Ordinance shall not be codified.

Section 10. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, it is the intent of the Board of County Commissioners that such invalidity shall not affect other provisions or applications of this Ordinance which can be given effect without the invalid provision or application and, to this end, the provisions of this Ordinance are declared severable.

Section 11. Effective Date. This Ordinance shall take effect upon filing a copy of this Ordinance with the Department of State by the Clerk to the Board of County Commissioners.

BE IT ORDAINED by the Board of County Commissioners of Seminole County, this 24th day of February, 2015.

Exhibit A: SCOPE OF SERVICES

Assessment funding will be used for the management of noxious, invasive and/or exotic aquatic vegetation as permitted by the Florida Fish and Wildlife Conservation Commission [FWCC] for treatment with the primary objective being the long-term management of Hydrilla. The management of submerged vegetation (other than Hydrilla) and provisions for lake access corridors are excluded from MSBU services as such corridors can be established on an as needed basis by individual property owners via privately obtained permits from FWCC

The aquatic vegetation management may include chemical, mechanical, biological, and/or other activities typically associated with on-going maintenance efforts to monitor and control aquatic vegetation. The required treatments will vary annually with lake conditions and will necessitate variations in scheduling and assessment calculations based on nature of treatments required and cost factors.

The cost components typically considered in estimating treatments and preparing annual budgets are inclusive of, but not limited to, contracted services, supplies and/or other items required in association with aquatic vegetation management and lake management recommendations, contingency funding, administrative costs, and tax collection fees. Long-term financial management of the MSBU may also include provisions associated with short-term fund advancement, such as the coordination of installment payments (principal and financing interest) to repay fund advances, and ensuring funding allocations for establishing and maintaining an operating contingency and/or reserve funds for future needs.

Based on lake conditions as of January 2015, the total estimated budget for the current fiscal year through September 30, 2015, for the recommended treatment plan and management of the MSBU, along with the revenue sources for supporting the plan are as follows:

MSBU Program Fund Advance		$	122,000
Lake Management Program		$	25,000
City of Casselberry		$	975
Friends of Lake Howell		$	50,000
	Total Revenue	$	197,975
Application Fee (Credit)		$	550
Initial/Start-up Services		$	195,425
Administrative Fee		$	2,000
	Total Expense	$	197,975

Exhibit B: BENEFITING PARCELS BY PARCEL NUMBER

The following parcels are included in the cost share assessment boundary of the Lake Howell Aquatic Vegetation and Lake Management MSBU:

Lakefront Parcels – Unincorporated Seminole County (56 parcels)

Exhibit C

The initial Non-Ad Valorem Assessment Roll for the Lake Howell Aquatic Vegetation and Lake Management MSBU is as listed. The assessment amounts per property are based on the methodology defined in the governing ordinance and include three components: (1) $715.00 per each lakefront property; (2) $1.05 per each lake frontage foot above average lake frontage width; and (3) $34.00 per each right of use unit. An assessment otherwise designated for a common element lakefront parcel is levied and collected through a pro-rata assessment assigned to each parcel associated with the common element parcel.
