

Terri Touchton, Secretary

Terri Touchton has been with Seminole County for 24 years, with the last 15 being with the Roads-Stormwater and Traffic Engineering Divisions of the Public Works Department. Terri has extensive secretarial, administrative and leadership experience. Terri received her Certification in Public Management, as well as the Florida Askew Award in 2007, through Florida State University.

Terri became Secretary of the CTST in January 2011. Her responsibilities include transcription of the monthly meeting minutes and she has assisted the Team with various projects, including redesign of the CTST website.
