

PROJECT INFORMATION NOTICE

Red Bug Lake Road at Mikler Road Intersection Improvements

Intersection of Red Bug Lake Road at Mikler Road

CIP No. 02107103

District 1

Public Information Notice – The Seminole County Public Works Engineering Division is currently in the design phase to construct a new eastbound right turn lane and extend the existing eastbound left turn lane by approximately 120 feet along Red Bug Lake Road.

- The intent of the project is to improve the safety conditions at the intersection of Red Bug Lake Road and Mikler Road by reducing rear-end crashes.
- This project is funded by the Seminole County One Cent Infrastructure Sales Tax.

Project Website - You may access the project website at: <https://www.seminolecountyfl.gov/departments-services/public-works/engineering-division/projects/red-bug-at-mikler.shtml>

The project website contains an overview of the project as well as 90% Design Plans that are available for download.

Contact Us - Should you have any, please contact the Seminole County Public Works Engineering Division Project Manager Harold McKnight by email at hmcknight@seminolecountyfl.gov or by phone at (407) 665-5758.
