

## Roadway Safety Assessment Team (RSA)

**Mike Blinn, Seminole County Traffic Engineering; Colleen Jarrell, HNTB Corp.; Shad Smith, Seminole County Engineering**

---

Colleen Jarrell is an Assistant Department Manager for the Traffic and Planning Group of HNTB Corporation. She is a graduate of the University of Central Florida with 18 years of traffic planning and traffic operations experience. Colleen's main responsibilities include traffic operations, project development and environment (PD&E) studies, and public involvement. She is also responsible for the operation of traffic data collection and provides guidance to the data collection supervisor on the day-to-day management of the department. She currently manages a Traffic Operations Contract for the Florida Department of Transportation, evaluating intersections and corridors for improvement throughout Central Florida.

Colleen has been an active member of the Community Traffic Safety Team since 2006. She has led the CTST Roadway Safety Assessment Team since 2008, reviewing and providing improvement suggestions at over 50 locations throughout Seminole County.

She's been an active member of the Seminole County School Safety Advisory Council since 2009. Colleen has been a member of ITE since 1996 and is a graduate of the University of Central Florida College of Engineering.
