

# SEMINOLE COUNTY NATURAL LANDS RULES OF USE

**Limitation of Liability** - Seminole County does not, by providing any of its Natural Lands for outdoor recreational purposes, extend any assurance that such areas or lands are safe for any purpose. The County will attempt to post known hazardous conditions. Users of Natural Lands take upon themselves the risks inherent in using undeveloped natural properties and the resulting and proximate events and conditions arising from the use of these wild and scenic lands.

**Access** - Natural Lands areas will be open each day between sunrise and sunset unless posted otherwise. Natural Lands may be accessed only at County designated access points at permitted times.

**Take nothing but pictures, kill nothing but time, leave nothing but footprints.** All plants and animals on Natural Lands are protected. It is unlawful to remove or destroy plants or to remove, destroy or harass animals.

**Pets** - Domestic animals are allowed on Natural Lands provided they are leashed at all times.

**Prohibited Activities** - The following activities are prohibited on Natural Lands except where special approval has been granted by permit from Seminole County or in specific designated areas: Hunting, swimming, camping, waste disposal, destruction of property, posting of handbills, ignition of fires, introduction of plants or animals, operation of motorized vehicles, public disturbance, alcoholic beverages, sales or concessions, construction and all other uses not specifically referenced.

**In order to increase your chances of viewing wildlife, please remember to pack out all trash/waste, keep pets on a leash at all times and enjoy the natural surroundings quietly.**

## VISIT OUR OTHER WILDERNESS AREAS!

WELCOME TO THE

# Black Bear Wilderness Area

Explore One of Seminole County's Naturally Beautiful Places!

The Black Bear Wilderness Area's approximately 1,600 acres in northwest Seminole County features a variety of wetland habitats within the floodplain of the St Johns River. Wet Prairie, Hydric Hammock and Cypress Swamps form a mosaic of habitat diversity which host wildlife such as the White-tailed Deer, Swallow-tailed Kite and the Florida Black Bear. Its' large size and proximity to other public lands, make this site an important piece in a puzzle connecting natural areas between the Wekiva/St. John's basins and the Ocala National Forest.

**TRAILS AND ACCESS:** The trail system at Black Bear Wilderness Area is established on historic levees and stays dry most of the year. This site is however, located within the floodplain of the St. Johns River and may experience significant flooding during the rainy season. From the parking area follow the blue blazes on an approximate 7.1 mile loop trail along the St. Johns River. Several boardwalks provide passage over wet areas and if you're quiet you may be fortunate enough to observe species such as River Otter, American Alligator and maybe even a Black Bear. This is a remote trail over rough, uneven terrain, where emergency access is very limited. You will encounter slopes, tree roots and holes (animal burrows) so we recommend you wear appropriate hiking shoes, bring water, a hat and bug spray. **WATCH YOUR STEP!**

**PRIMITIVE CAMPSITE** - by permit only, please call 407-665-2180

**Seminole County Natural Lands offers several exciting programs for you & your family:**

Eco Camp • Environmental Education Programs for Schools • Guided Hikes  
Nature Programs • Eco Birthday Parties • Nature Center Rental for Events
