Proposed Interim Financing Plan Summary

- Procure and secure a Revolving or Non-Revolving Line of Credit of \$75 million for three to five years or similar interim financing product
- A Line of Credit or similar product will be secured by the County's Covenant-to-Budget and Appropriate from legally available non-ad-valorem revenues ("CB&A")
- Line of Credit or similar product will have a variable rate feature based on a short-term index such as 1-Month Libor rate or similar plus a spread charged by the provider
- Line of Credit or similar product can be used to make project draws and capitalize interest and/or pay other applicable fees
- Based on the balance of the Line of Credit or similar product, anticipate issuing longterm bonds to pay it off as the County approaches its limit or market conditions warrant
- Structure the long-term bonds taking into account the County's existing general fund supported debt in order to minimize the impact to the general fund

County Budget Letter

May 26, 2020

Honorable Jay Zembower, Chairman Seminole County Board of County Commissioner 1101 East First Street Sanford FL 32771

Dear Mr. Zembower:

Pursuant to Chapter 192.091, Florida Statutes, the total budget submitted to the Department of Revenue for the Seminole County Property Appraiser's 2020-21 fiscal year is \$6,258,212.

Based on the budget proposed and submitted to the Department of Revenue, the Seminole County Board of County Commissioner's proportionate share is \$5,371,423.36, which is 85.83% of the total proposed budget. Therefore, this amount should be included in your 2020-21 budget and will be billed in one annual installment of \$5,371,423.36, commencing October 1, 2020.

These figures are subject to change upon final approval by the Department of Revenue, but the change should be negligible.

Thank you for your assistance with this matter. If you should have any questions please call me at (407) 665-7500.

Sincerely,

David Johnson, CFA Seminole County Property Appraiser

COVID-19 Response

WILL COVID-19 IMPACT SEMINOLE COUNTY PROPERTY VALUE?

AWARENESS

Our offices are aware of the impacts that COVID-19 has had on our community and respect that many of our citizens have concerns about the value of their property as well as their property tax obligation during this challenging period.

ACTION

Under Florida law, county property appraisers must value every property in the state as of an effective date of January 1, 2020. Any impacts from COVID-19 would not impact 2020 property values as we must analyze sales data and trends from 2019. The first two cases of COVID-19 were not announced in the state of Florida until March 1, 2020.

FUTURE

Our appraisers consistently monitor market transactions and trends. Any increase or decrease in sales prices which occur in 2020 will impact property values as of our January 1, 2021 valuation.

Tax Collector Joel Greenberg

June 2, 2020

Honorable Jay Zembower, Chairman Board of County Commissioners 1101 E. First Street Sanford, FL 32771

Dear Chairman Zembower:

Over the past three years, the Office of the Seminole County Tax Collector has provided Seminole County Government with more than \$7 million in unused funds, while continuing to expand services, improve operations and develop new initiatives for our residents.

For instance, during the recent economic shutdown, our purchase of a former bank building in Winter Springs in 2017 allowed Seminole County Tax Collector to be the only tax collector in Florida to continue with in-person transactions. In addition, our significant investment in our online systems allowed us to move to nearly exclusive online services without any deterioration of services.

I understand the impact COVID-19 has had on the Seminole County Government. As such, I have put an emphasis on completing projects early and working diligently to find ways to streamline even more.

One thing I am proud to say is we are in the final stage of negotiations on the sale of the Altamonte Springs parcel, which has been an albatross around this office's neck since it was purchased by my predecessor. Other initiatives have allowed us to position the Office of Tax Collector to assist the county with its anticipated shortfall for the upcoming budget next year.

As such, I am pleased to announce that I will be increasing our budgeted amount of unused funds from \$252,000 to an **unprecedented** amount of \$6,300,000. To place this in context, during my predecessor's career, he provided the county with roughly \$75,000,000 over twenty-eight years, for an annual average of \$2,678,572. This means that upon the final year of my first term as tax collector, the county will have received an annual average of \$3,312,500, a number far larger than what the previous tax collector was able to accomplish.

I hope this amount will assist our county to keep services and staffing at levels our citizens currently expect and to provide our incredible sheriff, property appraiser, supervisor of elections and clerk of the court with the funding they need.

Sincerely,

Joel M. Greenberg
