# Tax Collector Budget

Florida Statutes require tax collectors to submit a budget for their office's operation to the Department of Revenue.

This budget is due by **August 1** of each year.

The Department is responsible for reviewing the budget request and may amend or change the request as necessary so the budget will be neither inadequate nor excessive.

# Tax Collector Budget

The Tax collectors fund their budgets based on the fees and commissions they receive for processing transactions on behalf of the State, local governments, and taxing authorities.

Importantly, this budget process also separates power in local governments so the taxing authorities which set the millage rates **do not** have financial or budgetary influence over tax collectors who collect the taxes levied locally.

# Budget Timetable

- August 1** The budget is due to the Department and the board of county commissioners (BOCC).
- September 15** The tentative budget approval is due back to the tax collector with notice to the BOCC.
- September 15 - 30** Additional information from either the TC or the BOCC is due to the Department.
- September 30** The fiscal year closes. This is the deadline for submitting budget amendments.
- October 1** The budget becomes operational.

# FS 218.36

Each county officer who receives any expenses or compensation in fees, commissions, or other remuneration shall keep a complete record of all fees, commissions, or other remuneration collected by that county officer and shall make an annual report to the board of county commissioners within 31 days of the close of his or her fiscal year.

On or before the date for filing the annual report, each county officer shall pay into the county general fund all money in excess of the sum to which he or she is entitled under the provisions of chapter 145.

Whenever a tax collector has money in excess, he or she shall distribute the excess to each governmental unit in the same proportion as the fees paid by the governmental unit bear to the total fee income of his or her office.

# BUDGET TRANSMITTAL LETTER

Dear Commissioners:

April 30, 2024

I respectfully submit for your consideration the Seminole County Sheriff's Office proposed budget for Fiscal Year 2024/2025. In accordance with my obligation under Chapter 30.49, Florida Statutes, the proposed budget reflects the expenditures required for the upcoming fiscal year to carry out the powers, duties, and operations entrusted with my constitutional office. The proposed spending plan is both reasonable and necessary for the proper and efficient operation of the Sheriff's Office for the next fiscal year.

The Sheriff's Office primary objective is to enhance the quality of life by safeguarding the well-being of our community. Considering only 10-20% of crime is reported and unreported crime is often perpetrated upon our most vulnerable populations, the most important thing we can do is to prevent crime from occurring in the first place. Our overall success is a direct result of the hard work and dedication of the men and women of the Sheriff's Office and the sustained budgetary resources that have been allocated through support from the Board of County Commissioners.

## **SHERIFF'S OFFICE CERTIFIED BUDGET**

The Fiscal Year 2024/2025 Certified Budget proposal of \$175,830,000, a 6% increase over the current year, represents the portion of funding required from the County's general fund to support the operational responsibilities of the Sheriff's Office for the upcoming year; including the provision of law enforcement services, adult and juvenile detention services, judicial services, and various other responsibilities and services entrusted with the Office of the Sheriff. The Certified Budget proposal is presented net of service agreement revenues, inclusive of dispatch and school resource deputy service agreements, totaling \$8,076,000. In addition, certain contractual revenues and fees estimated at \$4,321,000 are directly deposited into the County's general fund and do not offset the Certified Budget proposal.

The budget is developed based on a fiscally accountable philosophy using the following guiding principles:

- As a service organization our employees are the most valued assets. The budget concentrates on maintaining a competitive compensation package designed to preserve a productive and skilled workforce. Ensuring employees maintain a proper standard of living helps to promote commitment and focus on the organizational mission.

- Allocation of resources in support of maintaining service levels, redirection of resources to priority needs, and exploration of innovative approaches to service delivery.
- Renewal and replacement of technology, fleet, and other vital equipment in a systematic manner based on life-cycle requirements. Scheduled renewal and replacement results in reduced operational down-time and lower maintenance costs, while supporting continuity of services.

The Sheriff's Office Certified Budget proposal includes the following:

- **Personnel Services:** The personnel services budget represents 82.5% of the Sheriff's Office Certified Budget proposal and reflects a 5% increase over the current year.
  - The funding supports compensation adjustments and applicable increase in taxes and benefits.
  - Allocated positions are continuously reviewed and repurposed to address areas of greatest need.
  - The budget includes two new deputy positions in the Professional Development Division to support the operation of an in-house law enforcement and corrections academy, as well as two network/systems trainee positions in the Technology Services Division to reduce reliance on contractual support and ensure coverage.
  - The budget assumes positions currently funded with American Rescue Plan Act funds to support the SCORE team will be funded through Opioid Lawsuit Settlement funding upon expiration of the ARPA funding agreement at the end of the calendar year. Requested Opioid Lawsuit Settlement funds are reflected as Special Revenue Funds, Transfers from County, Opioid Lawsuit Settlement Fund.
  - The budget anticipates the shortfall in revenue received for Teen Court positions from the Special Revenue Fund, Transfers from County, Teen Court Fund.
- **Operating Expenditures:** The operating expenditures budget represents 13.5% of the Sheriff's Office Certified Budget proposal and reflects an 8.2% increase over the current year.
  - Inflation experienced over the past three years has been fully incorporated into the estimates for supplies and services, bringing those budgetary amounts up to date with current pricing.
  - Challenge areas include the cost of inmate medical, inmate food, insurance, software licensing, fleet leasing and R&M, and general supplies including inmate supplies and uniforms.

- **Capital Outlay:** The capital outlay budget represents 3.9% of the Sheriff's Office Certified Budget proposal and reflects a 21.7% increase over the current year.
  - Technology Infrastructure: The budget includes over \$600,000 for replacement of cloud platform infrastructure that is end of life and other critical network switch replacements.
  - Fleet: The fleet annual allotment has been increased by \$700,000 to cover the continued rise in the cost of vehicles (over 25% in the past 3 years). The ability to replace our fleet in a timely manner allows for reduced R&M costs, as well as reduced down time. Additionally, changes in the leasing industry have made it prudent to modify our leasing practices and switch to purchasing vehicles in certain operational areas.
  - Digital Evidence System: In 2023, our digital evidence system was completely updated including body worn cameras, in-car cameras, tasers, and evidence management software. The budget includes full annual subscription funding to support the entire integrated system.
  - Real-time Crime Technology: In 2023, federal funding was used to invest in technology designed to enhance situational awareness and investigative capabilities of law enforcement through extraction and unification of live video, data, and sensor feeds from virtually any source. The technology maximizes operational efficiency, with improved intelligence and a proactive emphasis on officer, citizen, and community safety. The budget includes annual funding to sustain the system.

The Sheriff's Office Certified Budget proposal represents a significant investment of the community's resources. Each year my budget is prepared based on a fiscally conservative philosophy that prioritizes resources to accomplish the Sheriff Office's responsibilities and address the community's greatest needs. I remain mindful of the Board's responsibility to provide our community with a wide variety of important public services, while balancing taxation and spending to ensure continued fiscal sustainability. One metric used to ensure reasonableness of my budget request overall, is the comparison of the Sheriff's office budget growth rate to the growth rate in property tax revenue as presented below.

<u>Fiscal Year</u>	<u>SCSO Budget Growth</u>	<u>Tax Year</u>	<u>County Tax Growth</u>
FY 17/18	3.4%	2017	7.1%
FY 18/19	5.6%	2018	7.9%
FY 19/20	4.4%	2019	8.1%
FY 20/21	3.3%	2020	6.6%

## **SHERIFF'S OFFICE COMMUNITY INVESTMENTS**

The Sheriff's Office is committed to meeting the evolving needs of our community. By actively listening to the concerns of our community and embracing modern policing techniques, we have developed tailored solutions that align with expectations of the citizens we have the honor to serve and protect. Addressing critical issues such as the opioid and fentanyl crisis, substance use disorders, and mental health services remain a top priority.

Through your support and community partnerships, the Sheriff's Office has successfully implemented meaningful solutions and measures to better address and combat the ongoing and multifaceted opioid and drug overdose epidemic and to improve the behavioral health system using community-wide strategies to address the continued challenges of connecting people to appropriate treatment and support services. Together we have implemented new and innovative services in our community through open conversation and collaboration.

### **American Rescue Plan Act (ARPA) Funding**

The Sheriff's Office was allocated \$9,000,000 in ARPA funding to expand and improve the substance abuse and behavioral health system. The agreement provided funding over a three-year period which will end December 31, 2024. The proposed budget assumes continuation of the following services through a combination of the Certified Budget and special revenue fund appropriations from both the remaining ARPA funding and Opioid Lawsuit Settlement funding.

### **Substance Abuse (Opioid Epidemic)**

Seminole Collaborative Opioid Response Efforts (SCORE) has provided a comprehensive approach to transition those who have overdosed and are being treated in the emergency department through a pipeline of detoxification, stabilization, and rehabilitation. SCORE has developed and implemented seamless, collaborative, stabilization and treatment solutions designed to reduce opioid overdoses, recidivism, and fatalities. The Sheriff's Office proposed budget continues to support this effort through our Drug Enforcement & Behavioral Services Division SCORE Unit (non-fatal drug overdose response) and Fatal Overdose Unit, through programing at the John E. Polk Correctional Facility, services at the Advent Health Hope & Healing Center, and collaboration with other community partners.

### **Behavioral / Mental Health**

The Drug Enforcement & Behavioral Services Division's Behavioral Services Unit works to enhance law enforcement crisis intervention models, increase awareness and training, and improve the integration and timely access of mental health services for individuals and families in need. This includes strengthening our partnerships within the community and working alongside service providers and the judicial process to identify appropriate mental health services and placement for persons who are entering into the criminal justice system.

The Juvenile Justice Division’s Juvenile Mobile Crisis Response (JMCR) program provides law enforcement with an option for juveniles facing a mental health crisis when symptoms or behaviors may be alleviated through crisis intervention and/or de-escalation while on scene. The program team consists of licensed therapists trained to intervene, assess, and assist juveniles who are experiencing a mental health crisis. Care coordinators assist with navigating and connecting the child and family to necessary resources and services, including juvenile Baker Acts.

The Juvenile Justice Division’s Juvenile Intervention Services (JIS) program assists families with school-aged children dealing with issues related to mental health, behavioral, and academic and truancy concerns through community referral. The JIS team assist youth in learning new skills to help reduce at-risk behaviors and to teach parents to reinforce these skills as well as connecting families to appropriate community resources that fit their needs.

**Personnel Recruitment and Retention**

The Sheriff’s Office’s greatest need is to both attract and retain quality personnel while maintaining our high standards. Continued anticipated turnover, as well as a diminishing applicant pool resulting from societal influences, expanded job requirements, and an increasingly competitive market, are considerations to our overall competitive positioning. The cost of recruiting, training, and not retaining quality personnel are opportunity costs that are given careful consideration when making budget decisions. Thoughtful spending toward personnel provides a significant return on investment and is a responsible use of public funds. The proposed budget includes funding to (1) implement a sensible compensation strategy and remain competitive in the market, and (2) to run our own Law Enforcement and Corrections Academy increasing recruitment capacity and reducing the length of field training time for recruits.

**CONCLUSION**

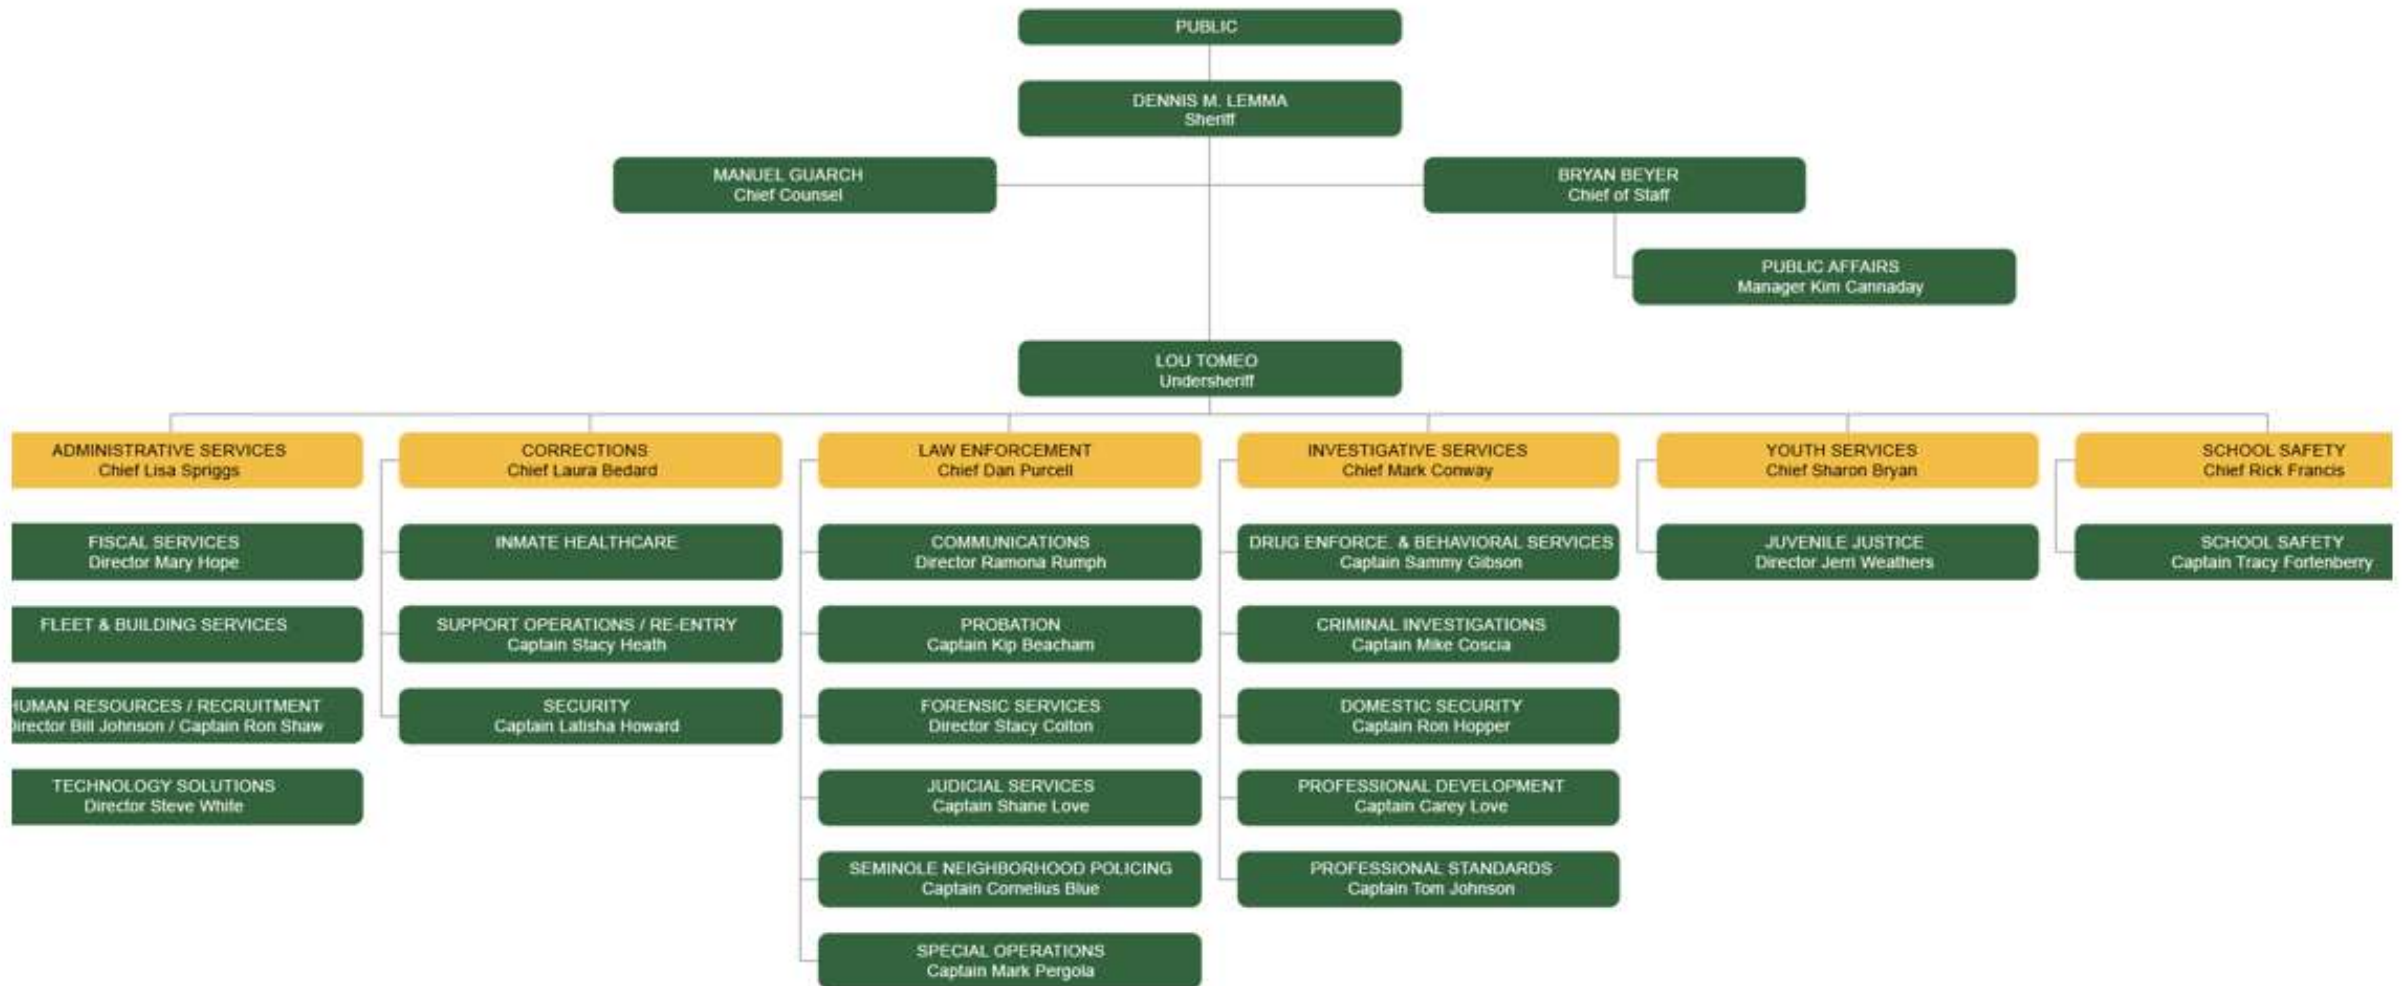

The most significant responsibility we have to our community is to prevent crime, and our overall success is a direct result of the sustained budgetary resources that have been allocated. I am so proud of the men and women of the Seminole County Sheriff’s Office, their commitment to the highest standards in professionalism, and their dedication to the community they have the privilege to serve. We appreciate the support provided by the Board to ensure essential service to the community is not compromised and look forward to our continued partnership throughout the upcoming fiscal year.

Sincerely,

  
Sheriff Dennis M. Lemma

- **OPERATING AND MAINTENANCE:** The facilities annual operating and maintenance budget is for day-to-day repair, maintenance and utilities for the John E. Polk Correctional Facility (JEPCF) and Seminole County Juvenile Detention Center. Also included in this budget are maintenance, repair and replacement of security camera systems, cell locks, magnetometers and x-ray equipment at the three court facilities, two correctional facilities and Building 100.
- **CRITICAL CAPITAL IMPROVEMENTS:** The Critical Capital Improvements for FY 2024/2025 are currently under review and will be submitted separately to the Board of County Commissioners.

# SHERIFF'S SPECIAL REVENUE FUNDS

## **Overview:**

Special Revenue Funds are established to account for the proceeds of specific earmarked revenue sources restricted by law or committed to expenditure for specified purposes. Included in the Special Revenue Funds are grant revenues received through contracts with federal and state agencies to finance specific programs or activities and transfers from the County of statutory revenues restricted for use within the Sheriff's operations. The current Special Revenue Funding includes funding for 52 full-time positions and 1 part-time position.

## **American Rescue Plan Act Funding (ARPA) and Opioid Lawsuit Settlement Funding:**

The agreement with the County for ARPA funding has enhanced services related to both substance abuse and behavioral health by funding personnel and planned expansion of the Hope & Healing Center.

The budget proposes Opioid Lawsuit Settlement Funds will be used for the continuation of personnel enhancements of the Sheriff's Office Drug Enforcement & Behavioral Services Division SCORE Unit and Behavioral Services Unit and to support the leased facility for the Hope & Healing Center expansion project. The funding is reflected in the FY 2024/2025 Special Revenue Funds as a Transfer from the County.

- Provide administrative support for health services to our school district partners.
- Gather and code health services data, generate reports, and work with our school district in addressing health needs (i.e. CoAg grant, asthma resources and education, Dental Sealant Program, etc.).
- Assist with providing and documenting health screenings, including oral health & growth and development for public schools, and vision, hearing and scoliosis for some private schools.
- Positive Youth Development - designed to strengthen and encourage healthy behaviors in young people, their sense of identity, belief in the future, self-regulation, relationship development and self-efficacy as well as their social, emotional, cognitive, and behavioral competencies.
- Provide support for health education activities.

# FALL PREVENTION PROGRAM

The Fall Prevention Program is designed for seniors ages 65 and older to educate and aid in the reduction of falls in Seminole County.

Priority populations: uninsured, underinsured, underserved, low-income, and homeless populations.

This program aims to reduce incidents of older adults falls by:

- Providing education and resources.
- Providing environmental and physical assessments.
- Implementing effective strategies.
- Providing mobility aids.
- Providing referrals for additional services as needed (e.g., DDP, DSME, Elder Affairs, Shepherd's Hope/Free Clinic).
- Providing incentives (e.g., flashlights, socks, reach sticks, canes).
- Providing home visits to increase knowledge about fall prevention.

The Fall Prevention Program has conducted 47 home visits and provided 14 presentations to various facilities throughout Seminole County so far this year.

# Health Education Comprehension

After recognizing that some of our clients were struggling to read and understand English when filling out forms, DOH-Seminole undertook a collaboration with Seminole State College, Project Literacy, to provide English classes for non-English speakers onsite so that they may more fully comprehend health information thereby providing the opportunity for better health outcomes.

# DOH-SEMINOLE Promotes and Collaborates

We **PROMOTE** and **COLLABORATE** by hosting and attending health fairs, outreach events and preparedness exercises.

<b>02407089 TRAIL SAFETY PROJECTS</b>					
THIS GROUP OF SAFETY AND PAVEMENT MARKING PROJECTS WILL ADDRESS THE VARIOUS SAFETY CONCERNS FOR TRAIL USERS. THE COUNTY'S TRAIL SYSTEM HAS SEEN A SIGNIFICANT INCREASE IN USE SINCE THE COVID-19 PANDEMIC. WITH INCREASE IN USE, SAFETY CONCERNS WITH BIKING, WALKING AND MOTORIZED VEHICLES ON OR AROUND THE TRAILS HAVE BEEN IDENTIFIED AT STREET INTERSECTIONS, DOWNHILL SEGMENTS OF TRAIL BRIDGES, AND PINCH POINTS ALONG THE TRAILS. SAFETY IMPROVEMENTS WILL INCLUDE SAFETY SIGNAGE (STOP/YIELD), HIGH VISIBILITY CROSSWALKS ON TRAILS, TRAFFIC CALMING AT INTERSECTIONS. TRAILS IMPACTED BY THESE IMPROVEMENTS INCLUDE SEMINOLE WEKIVA TRAIL, CROSS SEMINOLE TRAIL, FLAGLER TRAIL, AND KEWANNEE TRAIL CROSSINGS.	1,995,684	30,200	216,015	1,749,469	-

# Highlights & Accomplishments

## Community Development

- Supplemented 5 Public Facility projects with CDBG funds: 2 Co Parks and 5 Non-Profit Organizations
- Subsidized the construction of 7 affordable homes for homeownership with HOME funds
- Provided 8 first-time homebuyers with down payment assistance with SHIP funds
- Rehabilitated/Reconstructed/Repaired 15 homes with SHIP funds

## Community Assistance

- Provided permanent housing and intensive case management to over 80 homeless families, which includes over 300 adults and children.
- Assisted 12 chronically homeless individuals increase their income through part-time employment and approval of social security income.
- Prevented homelessness by providing rental and/or deposit assistance to 200 Seminole County low-income households.
- Over 900 residents have visited the office seeking assistance including 228 residents utilizing the store-front due to difficulty accessing and utilizing technology.

**SHIP Minor Home Repair Program** provides funds, in the form of a grant, to make necessary repairs to improve the health, Safety, and accessibility of the unit. A lifelong resident of Bookertown, has limited mobility and requires the use of a Power-chair. She would have to call on Fire/Rescue to help her enter and vacate her home until she was approved for the Program. The funding paid for the electric chair lift, concrete landing as well as the widening of her side entry door.

# Highlights & Accomplishments

## Veteran Services

- 3 service officers have assisted 12,805 veterans and dependents since October 2023 and 30,451 since January 2022 (in person and electronically).
- Since June 2022, the 3 service officers, as a result of direct contact, have secured over \$6.6 Million in retroactive monetary benefits. This amount is over and above the monthly benefit they receive.

# Highlights & Accomplishments

## Community Health

- Since the onset of the CH Healthy Lifestyles program one year ago, 113 community health outreach events have occurred throughout the County. During outreach, over 2,500 interactions with residents occurred and over 2,045 referrals were provided.
- More than 50 Seminole residents receive in-home case management to improve many chronic health conditions. Services include fall prevention, nutrition and food insecurity assistance, medication management, connection with medical care, etc.
- In addition to outreach events, 195 home visits were made identifying over 84 individualized needs.
- Opioid Mitigation: 372 Narcan kits distributed; 407 RX Destroyer kits (safely dispose old and unused medication that children or others can ingest)
- Pool Safely: 503 door alarms and 8 pool alarms distributed. Survival Swim Lessons in progress for Seminole children

# Building Fund Challenges

## Decreased Building Activity

- High Interest Rates
- High Equity Requirements
- Available greenfield land for major projects vs infill/redevelopment projects

## Plan to address Budget Deficit

- Increase Building Revenues (budget assumes 3% increase to fees)
- Frozen five (5) positions in the Building Division
- Closely monitor fund and expenditures over the next year

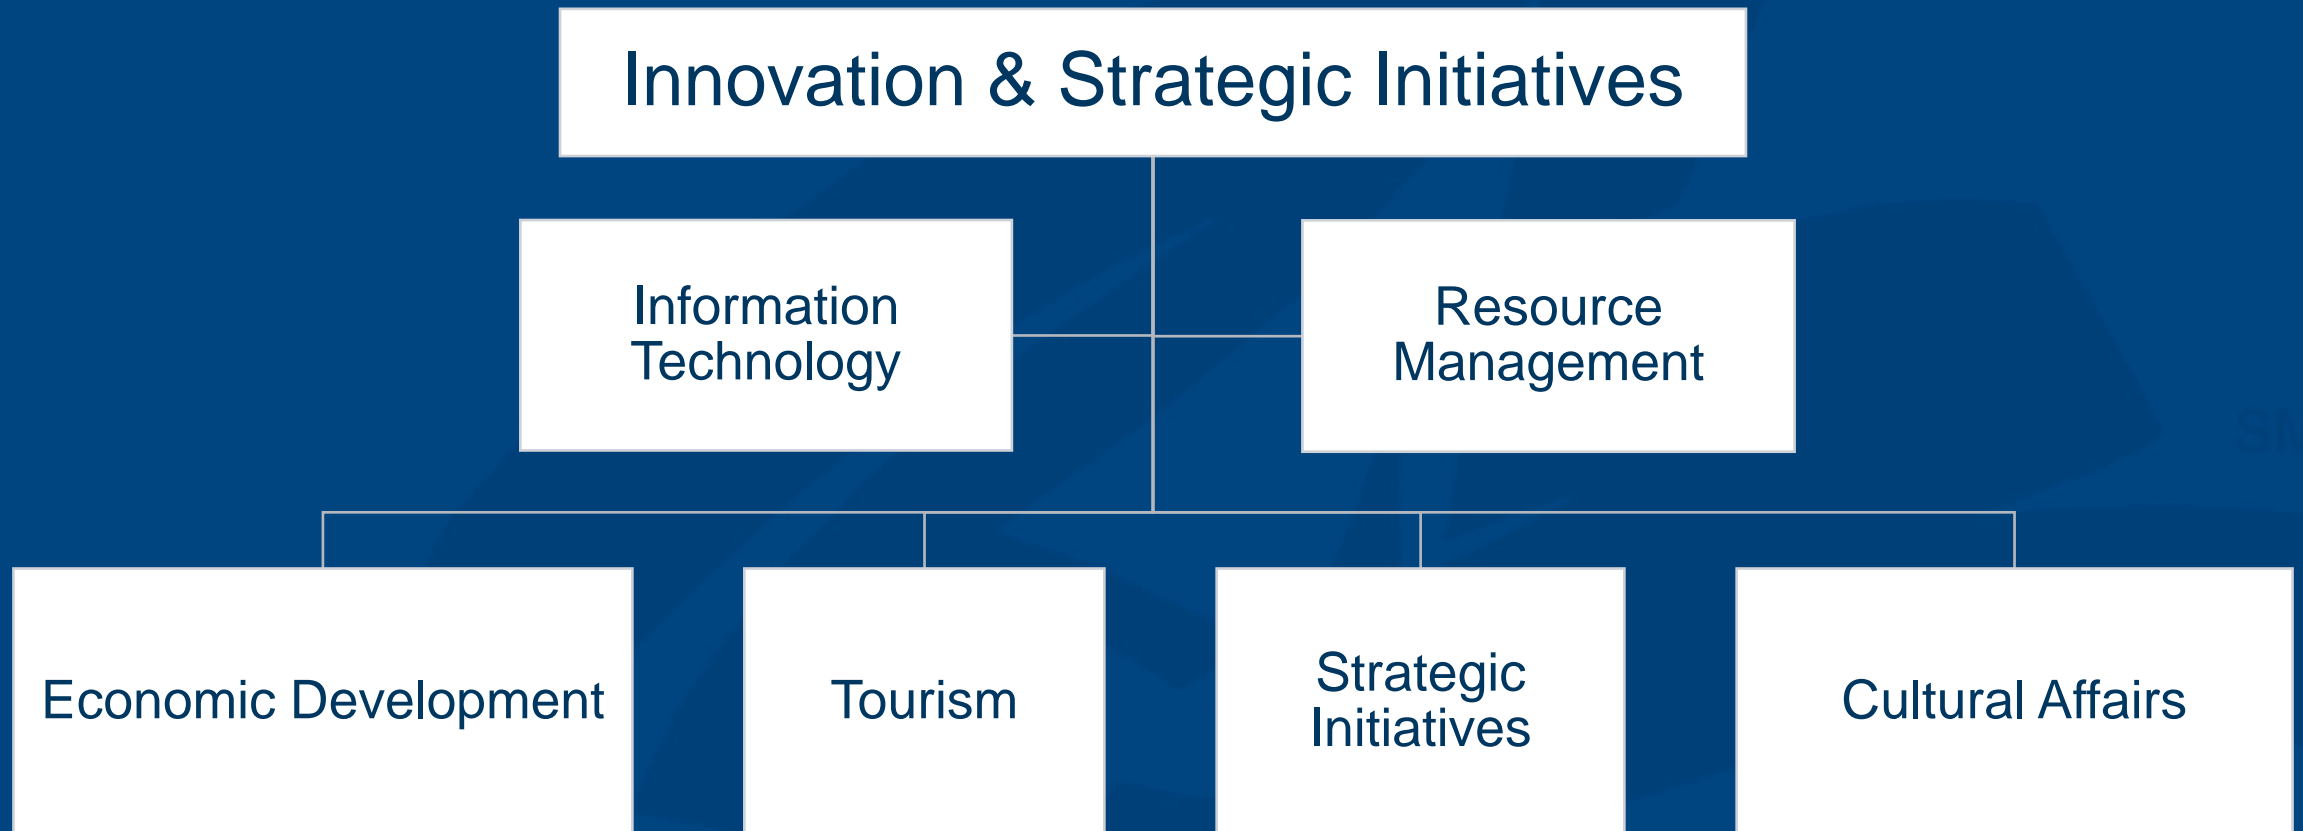

*See page 341 in Presentation Package for Details.*
