

# WASTE TIRE COLLECTION EVENT

## RECYCLE YOUR TIRES:

Seminole County Solid Waste works with a partner company to shred tires for reuse as ground crumb rubber in playground materials, athletic surfaces and new tires.

## PROPER DISPOSAL:

Recycling tires helps prevent mosquito breeding by reducing stagnant water accumulation, a prime habitat for mosquitoes to lay eggs.

**SATURDAY,  
APRIL 12, 2025**  
**8 A.M. – 2 P.M.**

## ACCEPTED AT TWO LOCATIONS:

Central Transfer Station – 1950 SR 419, Longwood  
Seminole County Landfill – 1930 E. Osceola Rd, Geneva

Available only to residents of Seminole County,  
City of Maitland & City of Winter Park.

For more information, please  
call Seminole County Solid  
Waste Management at  
407-665-2260.
