Right-of-Entry Agreements for Private Communities

Purpose:

The purpose of this form is to provide a standardized agreement for Local Governments to utilize with private communities for reimbursement of Right-of-Way Debris Removal costs. This agreement is general in nature and may change for individual Applicants based on local codes and standards. Per <u>FEMA Public Assistance Wildfire Policy Guidance</u>, Private Property Debris Removal (PPDR) must still be determined to be eligible by FEMA due to the severity of the incident.

Definitions:

- Applicant (Local Government): The municipality that is gaining entry to the private community for the purpose of Right-of-Way Debris Removal.
- Private Community: The community whose event-generated debris is being removed.
