

Lazy Acres Rural Enclave Community Workshop #2

We want to hear from you!

Date : Thursday, May 15th

Location: BCC Chambers

1101 East 1st Street, Sanford, FL 32771

Time: 6:00 p.m. – 7:30 p.m.

Join us for our second community workshop, where we'll continue the conversation about preserving the unique rural character of specific communities within Seminole County's urban service area.

At this workshop, we'll share:

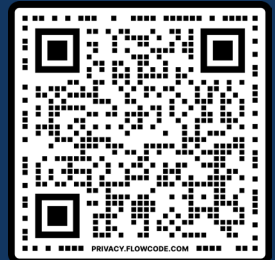

- Community feedback and survey insights from Series 1
- Draft policy recommendations for the Lazy Acres study area

As part of the Envision Seminole 2045 plan, the County is exploring new goals and policies to help protect rural enclaves. Lazy Acres is one of three study areas identified for developing a potential overlay framework designed to support and maintain rural character.
